

My Little Talks  
with Jesus

# *I'm never too busy to hear your prayers*

I like that you talk to Me when you pray.  
I like to answer your questions, to hear  
your requests and know what you need.  
I may be big and powerful, but I always  
have time to listen to you.

It doesn't matter how many prayers you pray to Me, I will always hear you. The answer may not come right away, because sometimes I know it'll be better for you if I answer your prayer later or in a different way, but you can always know that I listen to you. Your prayers are important to me.

*Jesus listens to the prayers I pray;  
I know He'll answer in His perfect way.*
