

My Little Talks
with Jesus

Safe in My arms

Do you get scared
sometimes? Does it make
you feel better when your
dad or mom picks you up
and hugs you? It makes
you feel safe when your
parents comfort you.

Even if your parents
are not there when
something frightens
you, I am always
watching over
you.

You can imagine
Me hugging you
in My strong
arms. I'll protect
you and help you
feel at peace
once again. You'll
always be safe in
My arms!

*No matter where I may be,
I know Jesus watches over me.*
