

Corrente Natalina de Papel

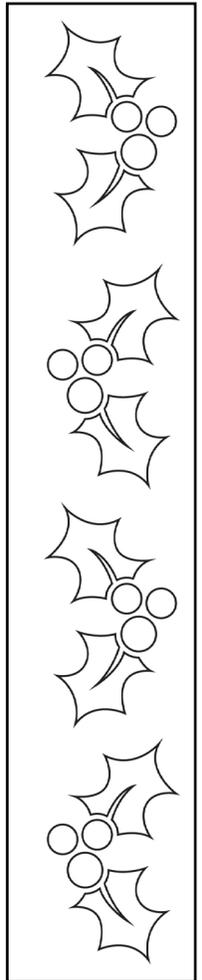

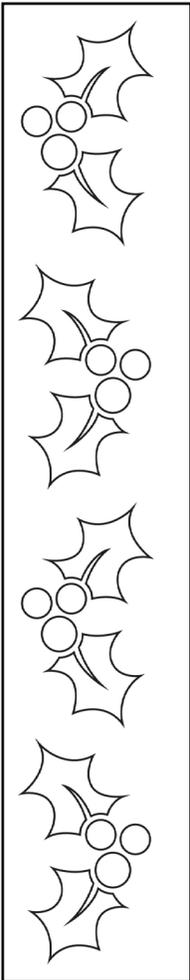

MATERIAL NECESSÁRIO:

- Imprimir as páginas 2-4 (um conjunto por criança)
- Canetinhas, lápis de cor, tinta ou lápis de cera
- Tesouras
- Cola, grampeador ou durex transparente
- Glitter ou cola com glitter (opcional)

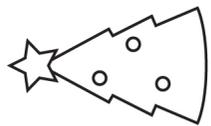

Imprimir uma cópia (páginas 2 a 4) de “Corrente Natalina de Papel” por criança, ou para cada duas crianças caso estejam trabalhando com um grupo grande de crianças. Peçam para as crianças colorirem ou pintarem as tiras de papel para as correntes, e decorarem as tiras da página 4 do jeito que elas quiserem. As crianças também podem escrever mensagens de Natal nas tiras (exemplo: Feliz Natal; Feliz Aniversário Jesus: Alegre-se o mundo; Eu adoro o Natal, etc.) Se quiserem, podem decorar as tiras já coloridas com glitter ou cola com glitter. (Opcional: Também podem colocar pequenos adesivos de Natal nas tirinhas.)

Recortem as tirinhas. Peguem uma, formem um círculo e prendam a aba à parte de baixo do elo com cola, grampo ou durex transparente. Passem a próxima tirinha pelo primeiro elo, formem um círculo e prendam. Continuem fazendo isso até terem formado uma corrente comprida com todas as tirinhas. Cada criança pode fazer uma corrente diferente ou podem juntar duas ou mais para formar uma corrente maior.

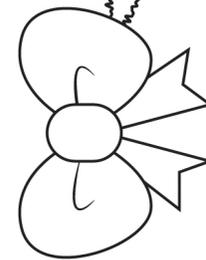

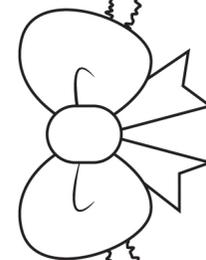

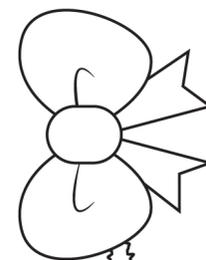

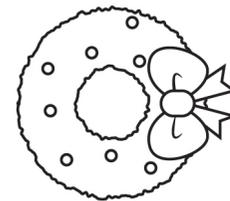

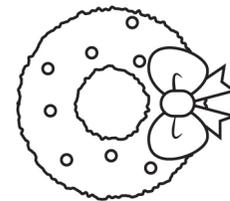

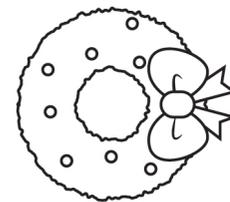

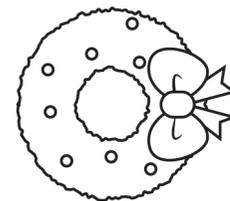

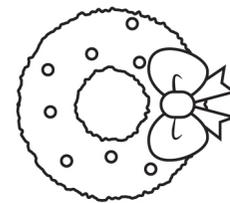

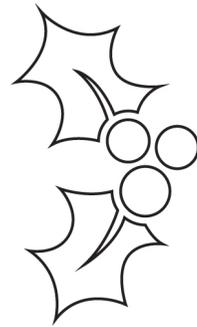

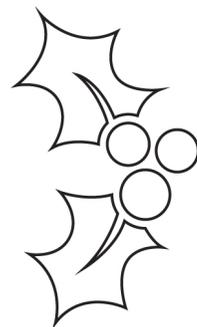

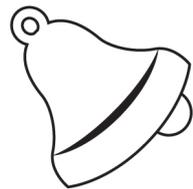

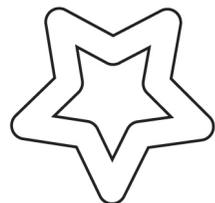

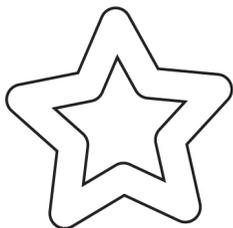

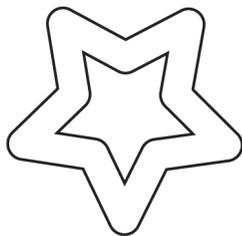

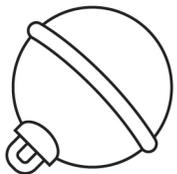

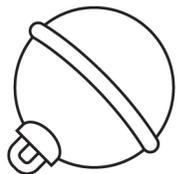

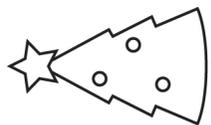

Quando a corrente estiver terminada, podem pendurá-la por cima de uma porta, uma janela ou numa parede para dar mais colorido ao seu Natal!
