

PIGGLY WIGGLY'S TRYING DAY

Once there was Miss Piggly Wiggly
Who was so glad and giggly!
She'd chortle along,
Sing any ol' song—
That was our Piggly Wiggly!

One day she was out of sorts,
And greeted all with snorts.
"I don't want to help."
She said with a yelp—
"I've even misplaced my shorts!"

But the farmer was smart,
And helped her restart.
“To change your mood
Be thankful for friends, home, and food,
And joy you’ll soon have in your heart.”
