

# A STOCKING FOR JESUS

Christmas is when we celebrate Jesus' birthday, so why not do something special for Him this year? You may not be able to give Jesus gifts that you can touch or see, but you can give Him gifts from your heart. Hang a stocking for Jesus and throughout this Christmas season write notes to Jesus. You can tell Him about things you are thankful He brings into your life, or what you love best about Him. Or you can draw pictures of something you want to praise Jesus for—coming to earth, His love, and more.

See how full you can make Jesus' stocking this Christmas season.
