

# ***Enjoying God's World***

HAVE YOU EVER SEEN A CASCADING WATERFALL OR STUDIED A BUSY ANT? PERHAPS YOU HAVE OBSERVED THE FASCINATING LIFE CYCLE THAT BRINGS ABOUT A BUTTERFLY AS A CATERPILLAR SPINS ITSELF INTO A COCOON AND EVENTUALLY EMERGES AS A BUTTERFLY. THE WORLD AROUND US IS A MARVELOUS PLACE!

IT CAN BE WONDERFUL TO SEE FLOWERS BLOSSOM ON A HILLSIDE AFTER THE RAIN OR TO WATCH BIRDS MIGRATING TO WARMER PLACES IN THE AUTUMN WHEN THE LEAVES ON TREES CHANGE COLORS. THERE ARE MANY INTERESTING THINGS TO SEE AND DO IN NATURE, AND IF YOU STOP TO LOOK, YOU'LL SEE HOW SO MUCH OF NATURE WORKS TOGETHER IN HARMONY.

A WONDERFUL THING ABOUT NATURE IS THAT IT IS SO EASY TO ENJOY. YOU DON'T NEED EXPENSIVE TOYS TO ENJOY SPLASHING IN THE OCEAN OR POND, ROLLING DOWN A HILL, OR EVEN RUNNING IN A FIELD OF GRASS AND FLOWERS. THESE ARE SIMPLE JOYS THAT YOU CAN APPRECIATE IN NATURE.

TAKE TIME TO ENJOY THE WORLD GOD GAVE US, AND DO YOUR PART TO TAKE CARE OF IT. LOOK AFTER IT BY NOT HARMING THE PLANTS OR ANIMALS AROUND YOU AND NOT LITTERING, AND YOU WILL BE A PART OF KEEPING OUR WORLD BEAUTIFUL.
