

Light, Light, Light!

I am the light of the world.
(John 8:12 NKJV)

Aren't sunny days wonderful? When it is sunny and warm we can play at the park, swim in the pool, enjoy the beach, and so much more.

The sun brings warmth to the earth, which not only makes us happy, but it helps the plants and trees to grow too.

Jesus is like the sun. He brings warmth and light to the world. People who don't know Jesus are like people who have never seen the sun or felt its warmth. Jesus wants everyone to see and enjoy the light that He gives.

Jesus wants us to reflect
onto others the light
and warmth that He
brings to our hearts.

We can do this by being
kind to others and
telling them of Jesus'
love. That way many
others can feel the
warmth and light of the
sunshine of Jesus' love
on their hearts and lives.

Action

Learn the following action song:

Light, light, light, light, light, light, light, light;

(Clench your fists; each time you say the word "light" flick them open)

It's so good!

(Make a thumbs-up)

But if you walk in darkness

(Cover your eyes with your hands)

You don't know where to go.

(Shake your head with your eyes still covered)

(Repeat first two lines)
