

IN THE GARDEN

Coloring Pages: Cling like a Vine

Just like a vine clings tightly to a tree for the support it needs, you can cling to Jesus. He will be your safety, your comfort, and your strength.

Use your time of disappointment or difficulty to draw closer to God by reading His Word and taking time to talk to Him. Tell Jesus your worries and concerns, and then remember that He is there for you.

The difficult times can draw you closer to God.
