

# AMAZINGLY MADE

“And I praise you  
because of the  
wonderful way  
you created me.  
Everything you  
do is marvelous!”  
(Psalm 139:14  
CEV).

God has made you  
wonderfully—from the  
top of your head to the  
tips of your toes.  
He created your eyes  
to see, your ears to  
hear, your nose to  
smell, your mouth  
to taste. Everything  
about you is a  
wonder!

Sometimes you may  
think that there is  
nothing special about  
you, but always  
remember that God  
is very excited about  
you! There is no one  
like you anywhere  
else in the world.

The activities that you like, the food that you enjoy, the way you like to spend your time, your likes and your dislikes all work together to make you uniquely who you are. You are one of a kind!

Look around at the beauty of nature and appreciate all that God has created. God's creation is a beautiful masterpiece; everything is in perfect harmony and has a well-planned cycle. From the skies to the seas, the birds to the bees—all of these are a touch of God's handiwork.

Appreciating God's creation can help remind you of how special you are, because you are part of His wonderful creation too!

Don't ever worry that you are too small or unimportant for God to notice you. He knows all about you! In fact, Jesus once said, "Even the hairs on your head are counted. So don't be afraid!"<sup>1</sup> You're that important to God!

<sup>1</sup> Luke 12:7 CEV

God loves you and wants what is best for you, always remember that! You are amazingly made.
