

STOP, WAIT, AND LISTEN

Has your mom or dad asked you to do something and you listened to the first part, but didn't listen to everything that they have to say before you went off to do what they said? Maybe you *thought* you knew what they were going to say, so you didn't wait for them to finish. If you are too quick, sometimes you can miss all that they had to ask or tell you.

When you take time to listen to Jesus, take time to stop what you are doing and listen to everything that He has to say. Sit quietly and keep listening even after He has told you "yes," or "no," or "maybe." It is not easy to wait when you are excited, but it's important to listen until Jesus is finished talking to you.

If you listen for a little longer, there may be more that He has to tell you that will make the answer clearer. Stop, wait, and listen to get the full answer.
