

Exploring God's Word

Jesus once said: "The words I have spoken to you—they are full of the Spirit and life."¹ The Bible is full of stories about Jesus and what He did while He was on earth. He taught His disciples many things about how He wanted His children to live and act. Through reading the Bible we get to know more about Jesus.

There is so much to discover in God's Word, but just like with anything else you are learning, you have to study to understand new things. King David prayed, "Open my eyes to see the wonderful things in your teachings."² We can do the same—we can ask God to help us learn all that we can from His Word, so that we can then do the things that reflect His love and kindness.

¹ John 6:63 NIV

² Psalm 119:18 ICB

God's Word is full of treasures, and when we take time to study it, memorize it, talk about it, and put it into practice, it becomes a part of who we are. Putting God's Word into action can make us a little more like Jesus, because we are following the way He taught us to live.

Take time to explore God's Word, and let it fill your heart and mind with His truth and joy.

"Let the message about Christ, in all its richness, fill your lives. Teach and counsel each other with all the wisdom he gives. Sing psalms and hymns and spiritual songs to God with thankful hearts"
(Colossians 3:16 NLT).
