

I HAVE A FRIEND IN JESUS

I have a friend in Jesus. He is with me every moment of every day.
No matter what I am doing or where I am, I know that He is with me.

I like to talk to Jesus and tell Him
what is happening throughout
my day. Sometimes I am happy
and sometimes I am sad.
Jesus always listens.

Do you take time to talk to Jesus? He will listen
when you speak. He is not far away or too busy to
spend time with you. He is always near you.
