WHEN I STUDY GOD'S WORD

When I study God's Word, I am learning more about God. There are many treasures in God's Word that when discovered can help me gain understanding about God and His love for His children.

God's teachings are perfect and give strength to His people. His rules can be trusted, and can even help simple people become wise.¹ By studying God's Word, my faith will increase,² and I will know how to best honor and respect God through my actions and thoughts.

Reading God's Word helps me draw closer to God. It fills my heart with peace and makes my love for God grow.

Read [Proverbs 2:1–11](#) to learn more about how studying God's Word can help you.

¹ See Psalm 19:7.
