

Discover Something New

Open my eyes so that I
may see wonderful things
from Your law.
(Psalm 119:18, *paraphrased*)

Have you ever picked up a book that you had read before, but suddenly you noticed something in the pictures that you had not seen earlier?

Maybe it was a little mouse hiding in the haystack, or a monkey swinging from the branches. And even though you had read the book many times, you only saw this for the first time.

God made it so that we can discover new things, even when we are reading or doing something that we have read or done before.

There are many wonderful new things we can discover in God's Word. Sometimes we may think we already know everything that God's Word has to tell us. Believe it or not, there are always new treasures to find!

When we read God's Word, we can ask Jesus to show us something that we hadn't seen before. Isn't that amazing?

Action

Get one of your picture books and see if you can find something new in the pictures that you hadn't noticed before. What did you find?
