

Best wishes on this special day,
To one who brings great joy to our hearts.
May God bless you in every way
And make this year one that's off the charts.

"May mercy, peace and love be
multiplied to you" (Jude 1:2 ESV).

You created me so wonderfully.
I am blessed, so help me be
A channel of Your love through me,
Kindheartedness for all to see.

"I am wonderfully made"
(Psalm 139:14, *paraphrased*).
