

MY CHRISTMAS JOYS

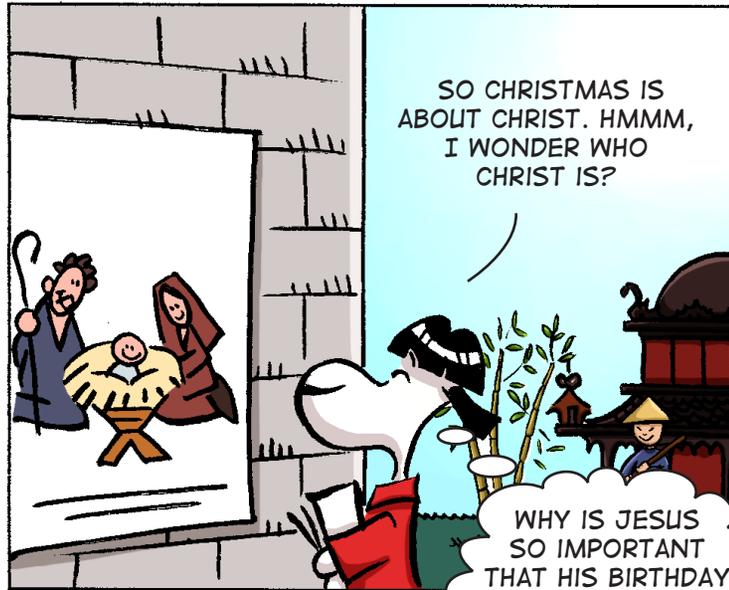

A message from Jesus

The Christmas season makes Me very happy! I'm happy because Christmas is a time of year when many people become curious about Me, and have a greater opportunity to learn of My love for them.

When you perform for people at Christmas, you bring My Spirit into people's lives. You show them an example of My joy and love for them.

At Christmastime people are interested in learning more about Me because they know this is the season when My birth is celebrated.

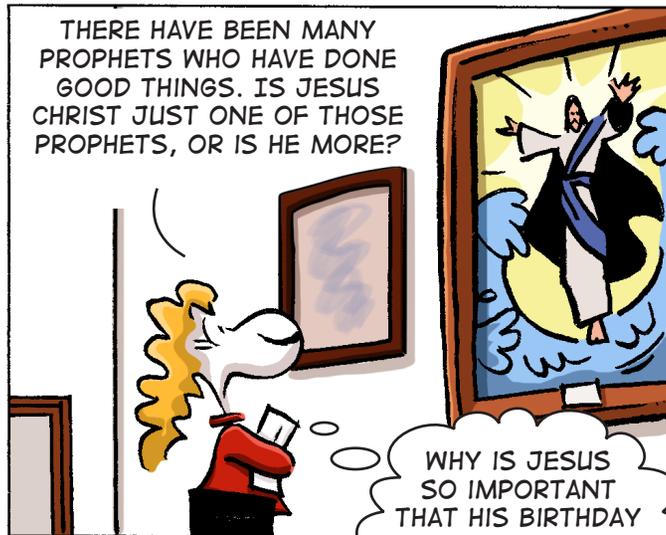

SO CHRISTMAS IS ABOUT CHRIST. HMMM, I WONDER WHO CHRIST IS?

WHY IS JESUS SO IMPORTANT THAT HIS BIRTHDAY IS CELEBRATED?

JESUS IS THE PROPHET WHO THE CHRISTIANS FOLLOW.

WHY IS JESUS SO IMPORTANT THAT HIS BIRTHDAY IS CELEBRATED?

THERE HAVE BEEN MANY PROPHETS WHO HAVE DONE GOOD THINGS. IS JESUS CHRIST JUST ONE OF THOSE PROPHETS, OR IS HE MORE?

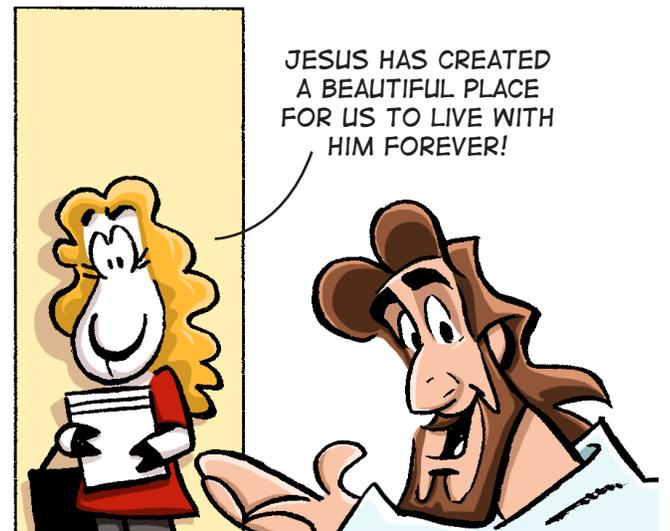

WHY IS JESUS SO IMPORTANT THAT HIS BIRTHDAY IS CELEBRATED?

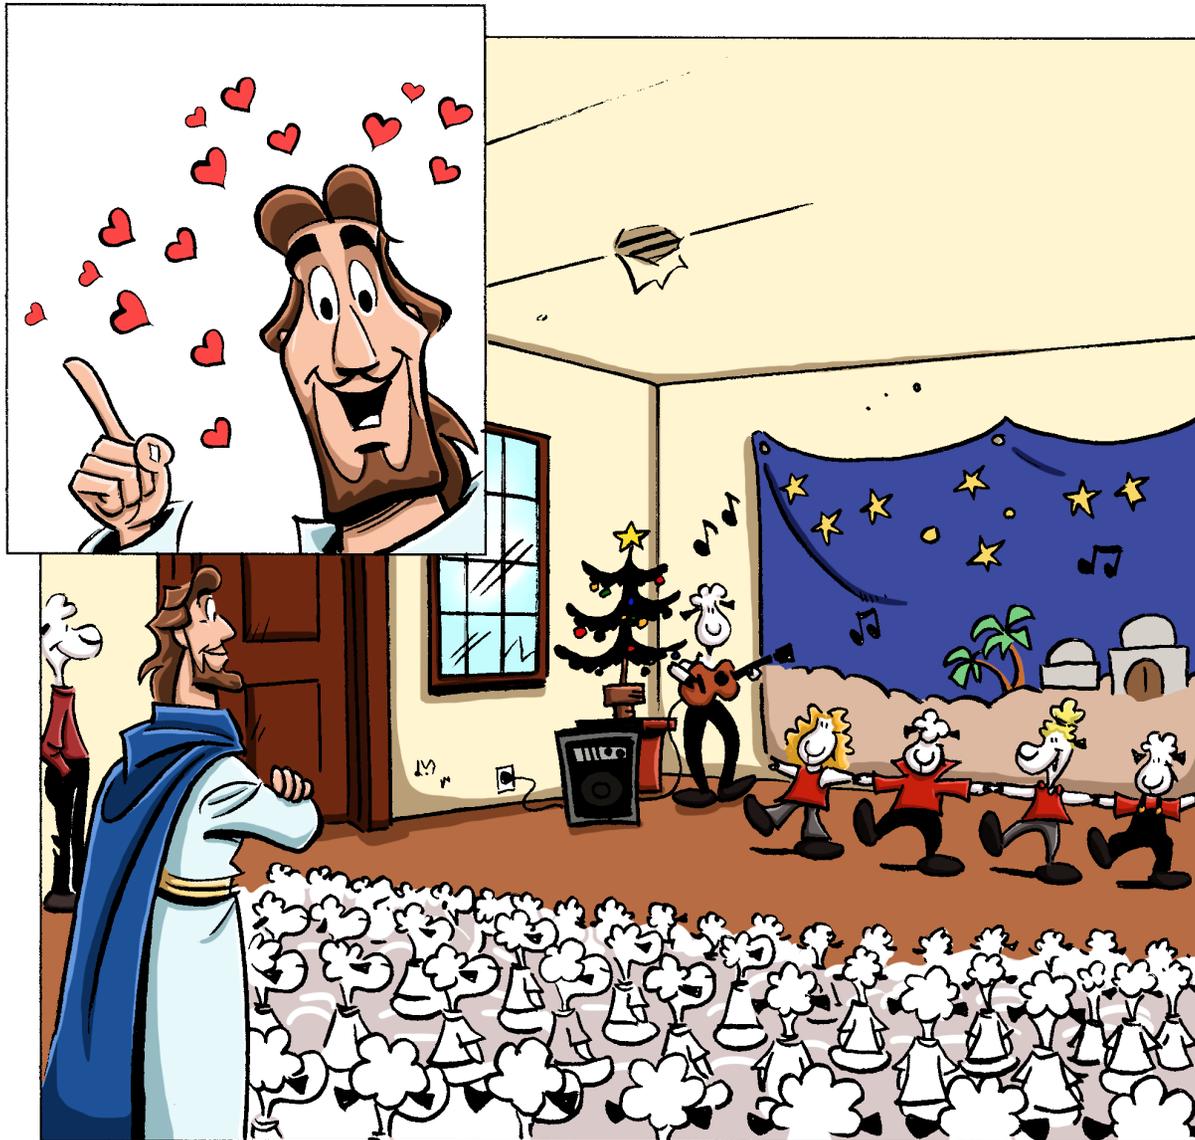

JESUS, THANK YOU FOR GIVING YOUR LIFE FOR ME...

INTERESTING. THIS IS ABOUT JESUS CHRIST.

JESUS HAS CREATED A BEAUTIFUL PLACE FOR US TO LIVE WITH HIM FOREVER!

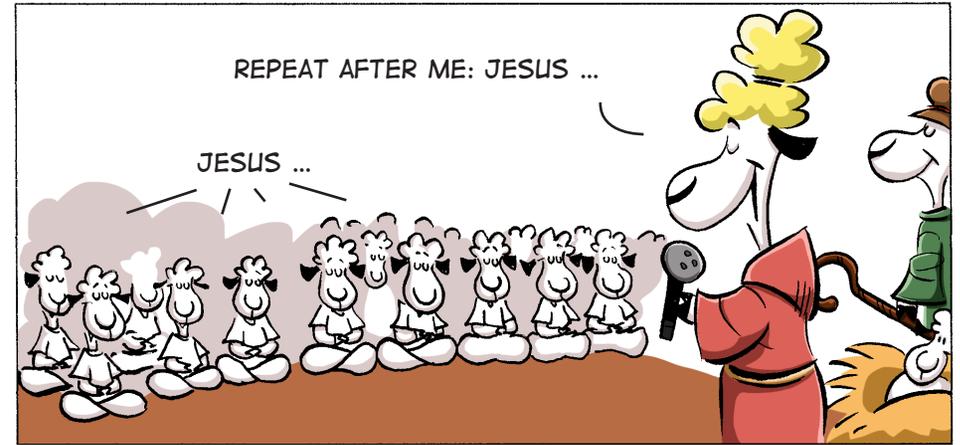

One way you might get to share My love with people is by performing for them. When you perform, and you put your whole self into the performance, you are giving them an example of how real and loving I am.

If you perform, please give your performance all you've got, so that those watching can see My care and concern for them through you.

No matter how you help others know about Me and the gift of salvation I have for them, whether through a performance, or through talking to them, or by giving them literature about Me, this makes Me very happy!

When you pray with someone to receive Me or give them literature that teaches them about Me and shows them how to receive Me into their lives, you give them the greatest possible foundation for their lives.

Once they have received Me in their lives, I'll be with them forever, guiding and helping them through the rest of their earthly lives and on into eternity, just as I am always with you. My gift of salvation is the greatest Christmas gift you can offer to anyone!
