1. Fold and glue the tabs of the donkey and cow to the stable floor.
2. Fold the tabs of the stable, and glue the stable together. Glue the stable to the background positions. *Optional: Cut out the stable window.*
3. Glue Mary and Joseph, the shepherds, and the sheep to the front of the background floor.
4. Fold each of the background tabs and glue under the front piece.
5. To add stability, cut a piece of cardboard the size of the background floor and glue underneath.
