

Such a beautiful world You've created:
Plants and animals both big and small,
Tiny ants that dig in the garden,
And giraffes that grow so tall.

In the midst of all this beauty,
You made one such as me.
Help me show my appreciation
By caring for all I see.

"The earth is the Lord's, and every-
thing in it, the world, and all who
live in it" (Psalm 24:1 NIV).

I'm only one small person
Within this world so grand.
Please help me to do my part
To preserve it as I can.

I know it's no small task
To care for air, water, and land.
But You can use my small ways
To make a difference where I can.

"The whole earth is full of God's
glory" (Isaiah 6:3, *paraphrased*).
