

Power, Power, Power!

To all who received Him,
He gave power to become
children of God.
(John 1:12 RSV)

God is our loving Heavenly Father. When we believe in Him and make Him a part of our lives, we become His children. Just like a loving father takes good care of his children, so God looks after us, and makes sure that we are well cared for.

God is very powerful. When we are His children, we can receive a little bit of His power, too. God's power can make us bold and brave and proud that we are His children.

God likes to help us to do what is right, and He gives power to us when we ask Him to help us make the right choices, to know what is good to do, and to know what will bring us happiness.

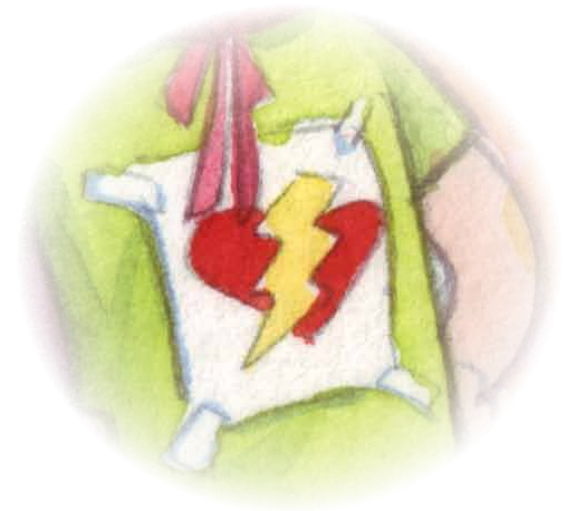

God is very powerful, but He is also full of love. Every one of us is God's special creation, and when we open our hearts to His love, we learn more about our wonderful and mighty Father—God!

Action

Talk about how you would like God's power to help you do something that is difficult for you or something new that you're learning to do. Remember that God likes to help us in big ways and little ways.
