

Whenever I look to You in praise
Or read Your words to connect,
I always cherish my time with You—
Time on Your grace to reflect.

“In the beginning was the Word, and the
Word was with God, and the Word was God”
(John 1:1 KJV).

When talking with You in prayer,
Or listening to Your voice through Your Word,
Please focus my attention on You,
So the marvels You speak of are heard!

“The entrance of Your words gives light; it gives understanding”
(Psalm 119:130 AKJV).
