

Grandma likes to make me glad.
Help me make her happy, too,
I wish to help and listen well,
To flow with what she plans to do.

“Grandchildren are the crown of the aged” (Proverbs 17:6 ESV).

Help me respect and make Granddad glad,
Whether he’s thoughtful or acts like a clown.
My granddad is always such a treat;
A special person to have around.

“A merry heart does good like a medicine” (Proverbs 17:22 AKJV).
