

Light Up the World at Christmas

One of My favorite Christmas decorations are the lights that go up—white lights, colored lights, twinkling lights, steady lights, musical lights, and candle lights.

From Jesus
with love

The world lights up
around Christmastime. Do
you enjoy the lights too?

Think about that verse that says “You are the light of the world,” and also the verse, “Let your light so shine before men, that they may see your good works, and glorify your Father in Heaven” (Matthew 5:14,16 NKJV).

You are My light to the world. You shine brightly for Me, even in the little things you do—like giving a smile to someone who is weary or discouraged, giving someone a tract, being kind to those you live with, and more.

Think about that the next time you do something nice for someone else—you were My light to that person. That's My favorite kind of light. To see you shining for Me really lights up Christmas!

Take a moment to let Me fill your heart with My love and concern for the boys or girls who have not yet met Me and who don't know of My love, so that you can then shine My light on those I lead you to this Christmas.
