

REFLECT, LIKE THE MOON

"God's kingdom will last forever, just like the moon does and is a faithful witness" (Psalm 89:37, *paraphrased*).

Have you ever noticed how when the moon is full or nearly so, it can light up the night and help you find your way along a path? It does that by reflecting the light of the sun. Even on nights with clouds, the moon can still light your way.

As God's children, you can be like the moon and reflect the light of Jesus' love to others. Reflecting the light of Jesus' love helps others.

The Bible says "You should be a light for other people. Live so that they will see the good things that you do and praise your Father in heaven" (Matthew 5:16 ERV). So by doing good loving deeds, you are reflecting God's love to those around you.

What have you done today to reflect God's love to others?
