

GOOD MANNERS FLOWER

You will need:

- paper
- color pencils or crayons
- paper fasteners
- scissors

How to: Trace the petal on this page to make five petals (or you can draw your own). In each petal write (or ask your parents to help you write) one of the little manners and courtesy reminders below. Color the petals. Cut out the petals and fasten them as shown in the picture. Use this flower to remind you of the little things you can do to be courteous and have good manners. See how many you can do today.

Courtesy reminders:

- Say "please" and "thank you."
- Prefer others before yourself.
- Listen carefully and answer kindly.
- Have good table manners.
- Greet people cheerfully.

Put the paper fastener here.
