

# No Matter How Big

My grace is sufficient for you,  
for My strength is made perfect  
in weakness.  
(2 Corinthians 12:9 NKJV)

Have you ever tried to move something heavy, and no matter how much you pulled and pushed it, it simply wouldn't budge? Then maybe your daddy came along and helped you move it, and you were very happy for your daddy's help.

As children we are learning many things, and some of the things we have to learn about, like obedience, caring for others and things, or being courteous, can be difficult.

But whatever we are learning to do to build good character and strong spirits, we can always ask Jesus for His help.

Then, just like a strong daddy will help us lift a heavy load, Jesus will give us a hand, and that makes it easier for us to do those things that can seem so hard to do or learn.

If we stop and pray and ask Jesus for His help to do those things that we know are right but which might be difficult for us, He's always happy to work with us. It doesn't matter how big the problem is or how difficult it might seem to us, Jesus is bigger and better than all of it!

Pretend to be lifting something heavy, and then ask your mommy or daddy to help you lift it and move it for you. Talk about something you're learning about that is hard for you or that you may have trouble remembering to do. Then say a prayer asking Jesus for His help.
