

# I Can Use You!

Do you ever wonder if you're too small or young to make a difference? You're not! No matter how small or young you are, *you* can make a difference. In fact, there are ways that you children can make others happy where grown-ups can't.

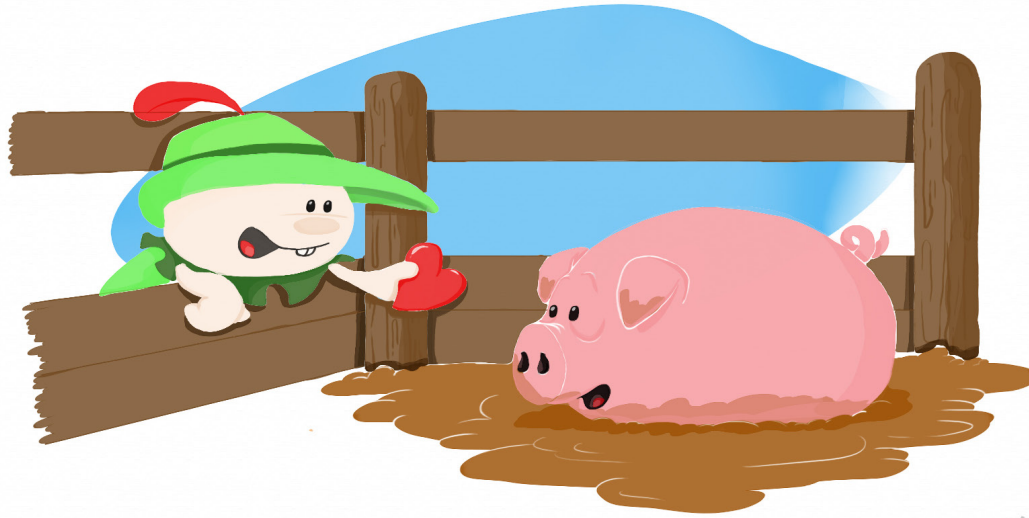

Though you may think you're not smart enough yet, or that you don't know how to make a difference, there's one thing that's for certain—when you show My love to others through kind deeds and caring words, you *are* making a difference.

I'm always looking for those who will pass on My love to others. I need your little hands and feet to spread My message of love to others in that special way only you can.

Can you think of some ways that you can help Me? You can make a difference by smiling and showing love and kindness to others, by praising Me even when things go wrong, and helping others to find praise and joy in their hearts too.

You can make a big difference by praying for others. Sometimes it may take awhile for you to see the complete answer to your prayers, but you can be sure that I'm working behind the scenes to do the miracles needed.

Don't ever think you're not important, because you are! And you can make a difference. If you'll ask Me how, I can show you little ways in your day that you can fill others' days with joy.

I love you.
