

Talk to Me

When you wake up in the morning, if you lie still and listen for a few minutes, you can hear Me speak to you.

I stay with you all through the night, and as soon as you wake up, I like to talk to you because you're so special to Me. You can talk to Me too. Tell Me whatever you want and I'll listen very, very carefully.

From Jesus with love

You can ask Me to give you a happy day.
You can ask Me to help you to be kind
and loving to your friends. You can ask
Me to help you to be helpful. You can ask
Me to keep you safe and careful when
you play, so that you don't hurt yourself.

Then after having asked Me these things, do what you can, and I'll do the rest! I always hear your prayers, and I always answer! I promise!
