

## The Creation of the World **The Sun, Moon, and Stars**

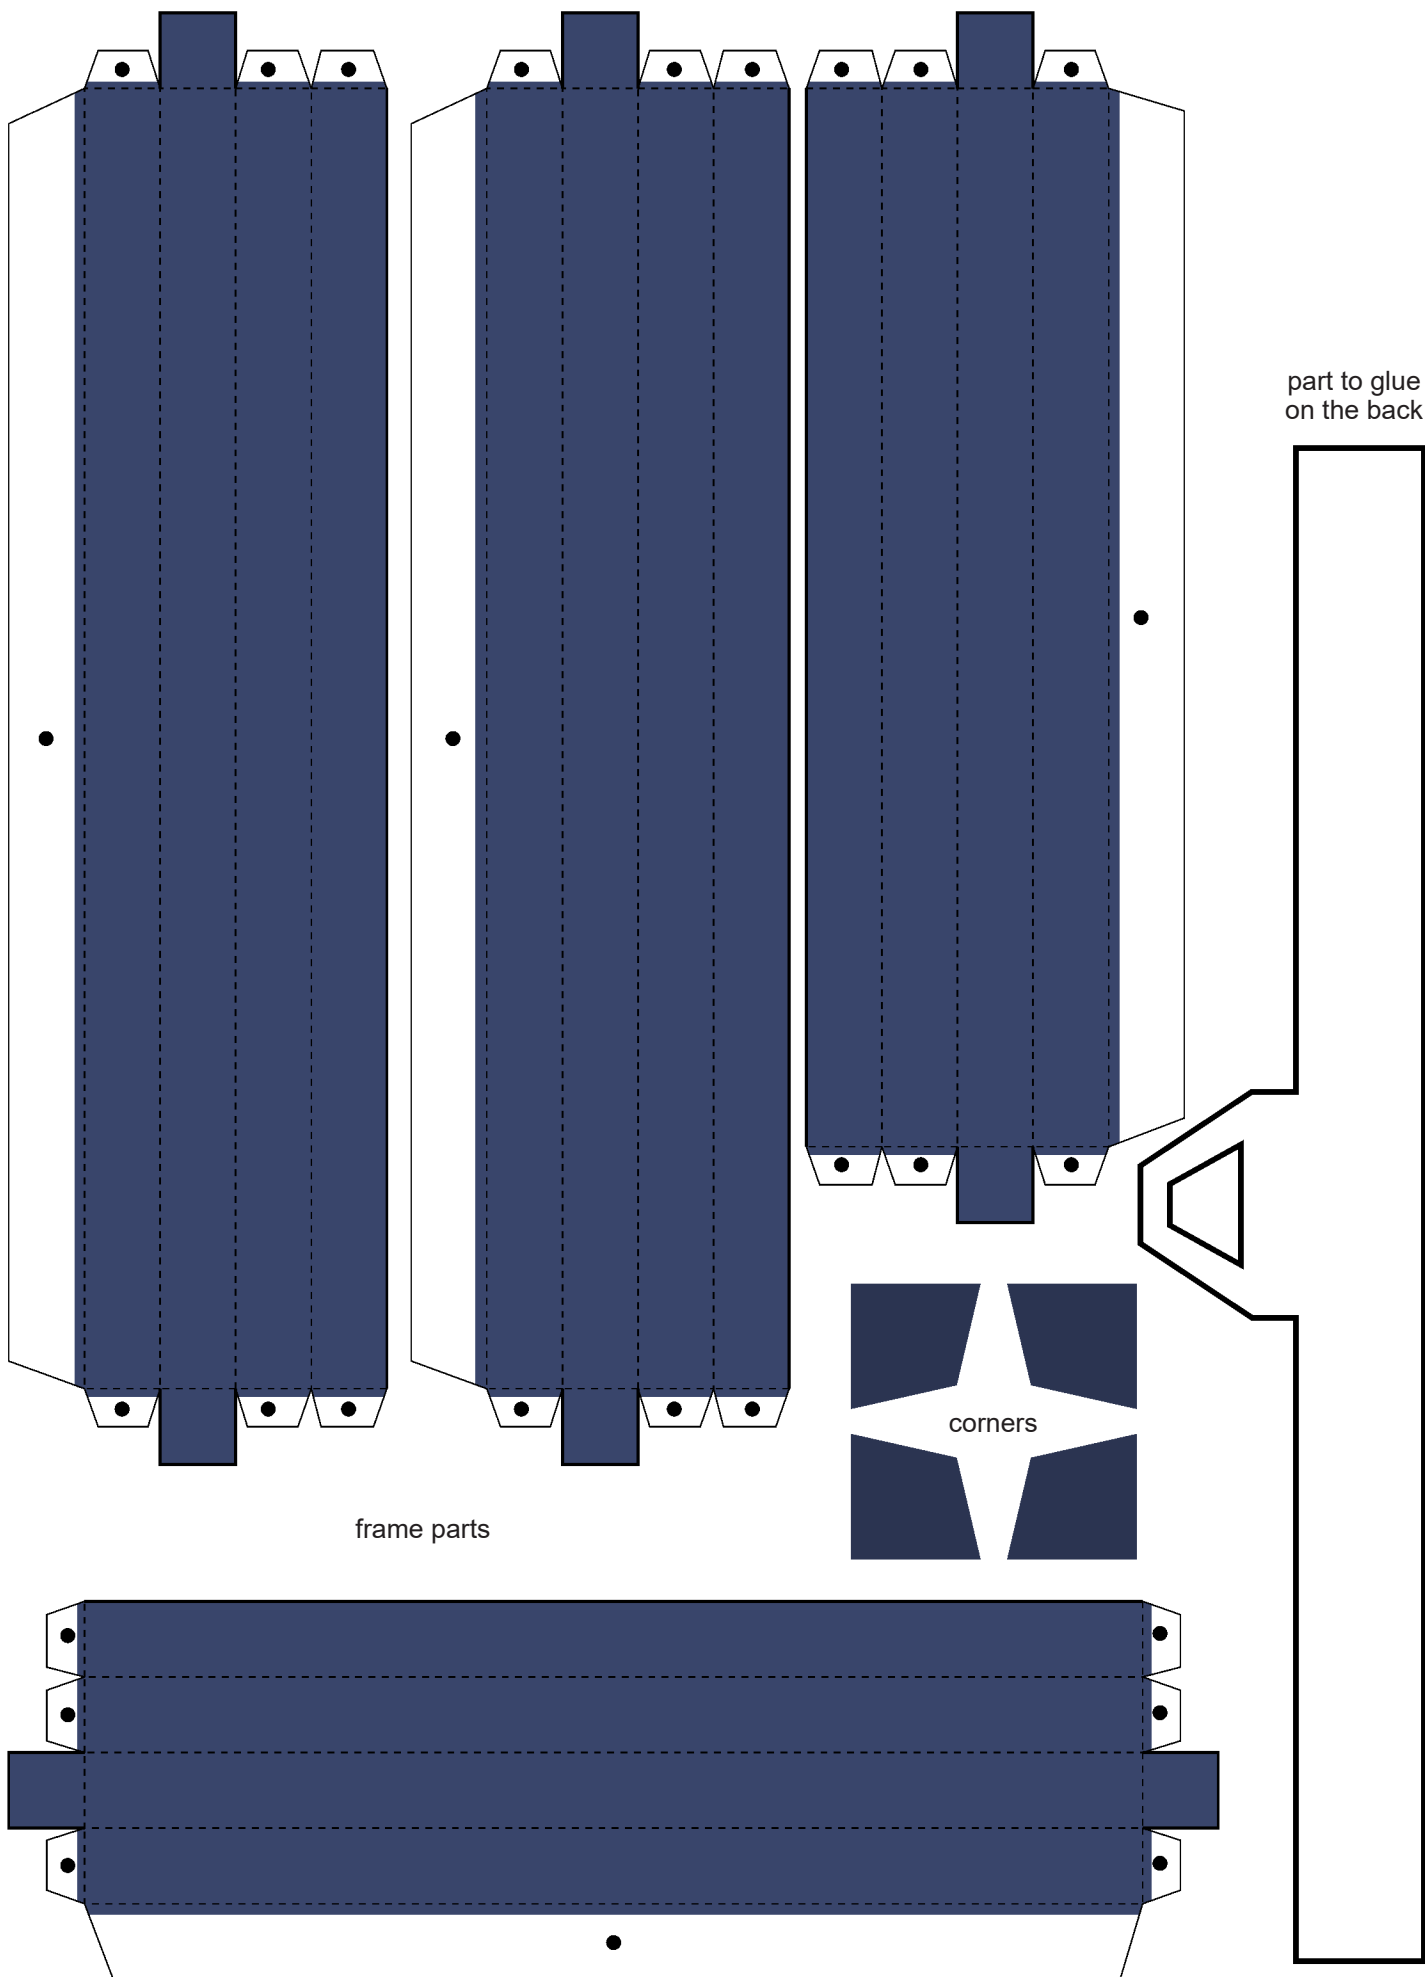

Genesis 1:14–19 AKJV, *adapted*

And God said, “Let there be lights in the firmament of the heaven to divide the day from the night. Let them be for signs, and for seasons, and for days, and years. And let them be for lights in the firmament of the heaven to give light on the earth.” And it was so.

God made two great lights: the greater light to rule the day, and the lesser light to rule the night. He made the stars also. God set them in the firmament of the heaven to give light on the earth, and to rule over the day and over the night, and to divide the light from the darkness. And God saw that it was good.

The evening and the morning were the fourth day.
