

The Creation of the World

Birds in the Sky

Genesis 1:20–23 AKJV, adapted

[After creating moving creatures that live in the water, God created] fowl that may fly above the earth in the open firmament of heaven (the expanse of the sky). God created ... every winged fowl after his kind, and God saw that it was good. God blessed them, saying, “Be fruitful ... and let fowl multiply in the earth.”

The evening and the morning were the fifth day.
