## Color the Picture

It's important to keep trying,  
no matter how difficult or  
impossible something may  
seem. If you ask God to help,  
He'll be there for you.

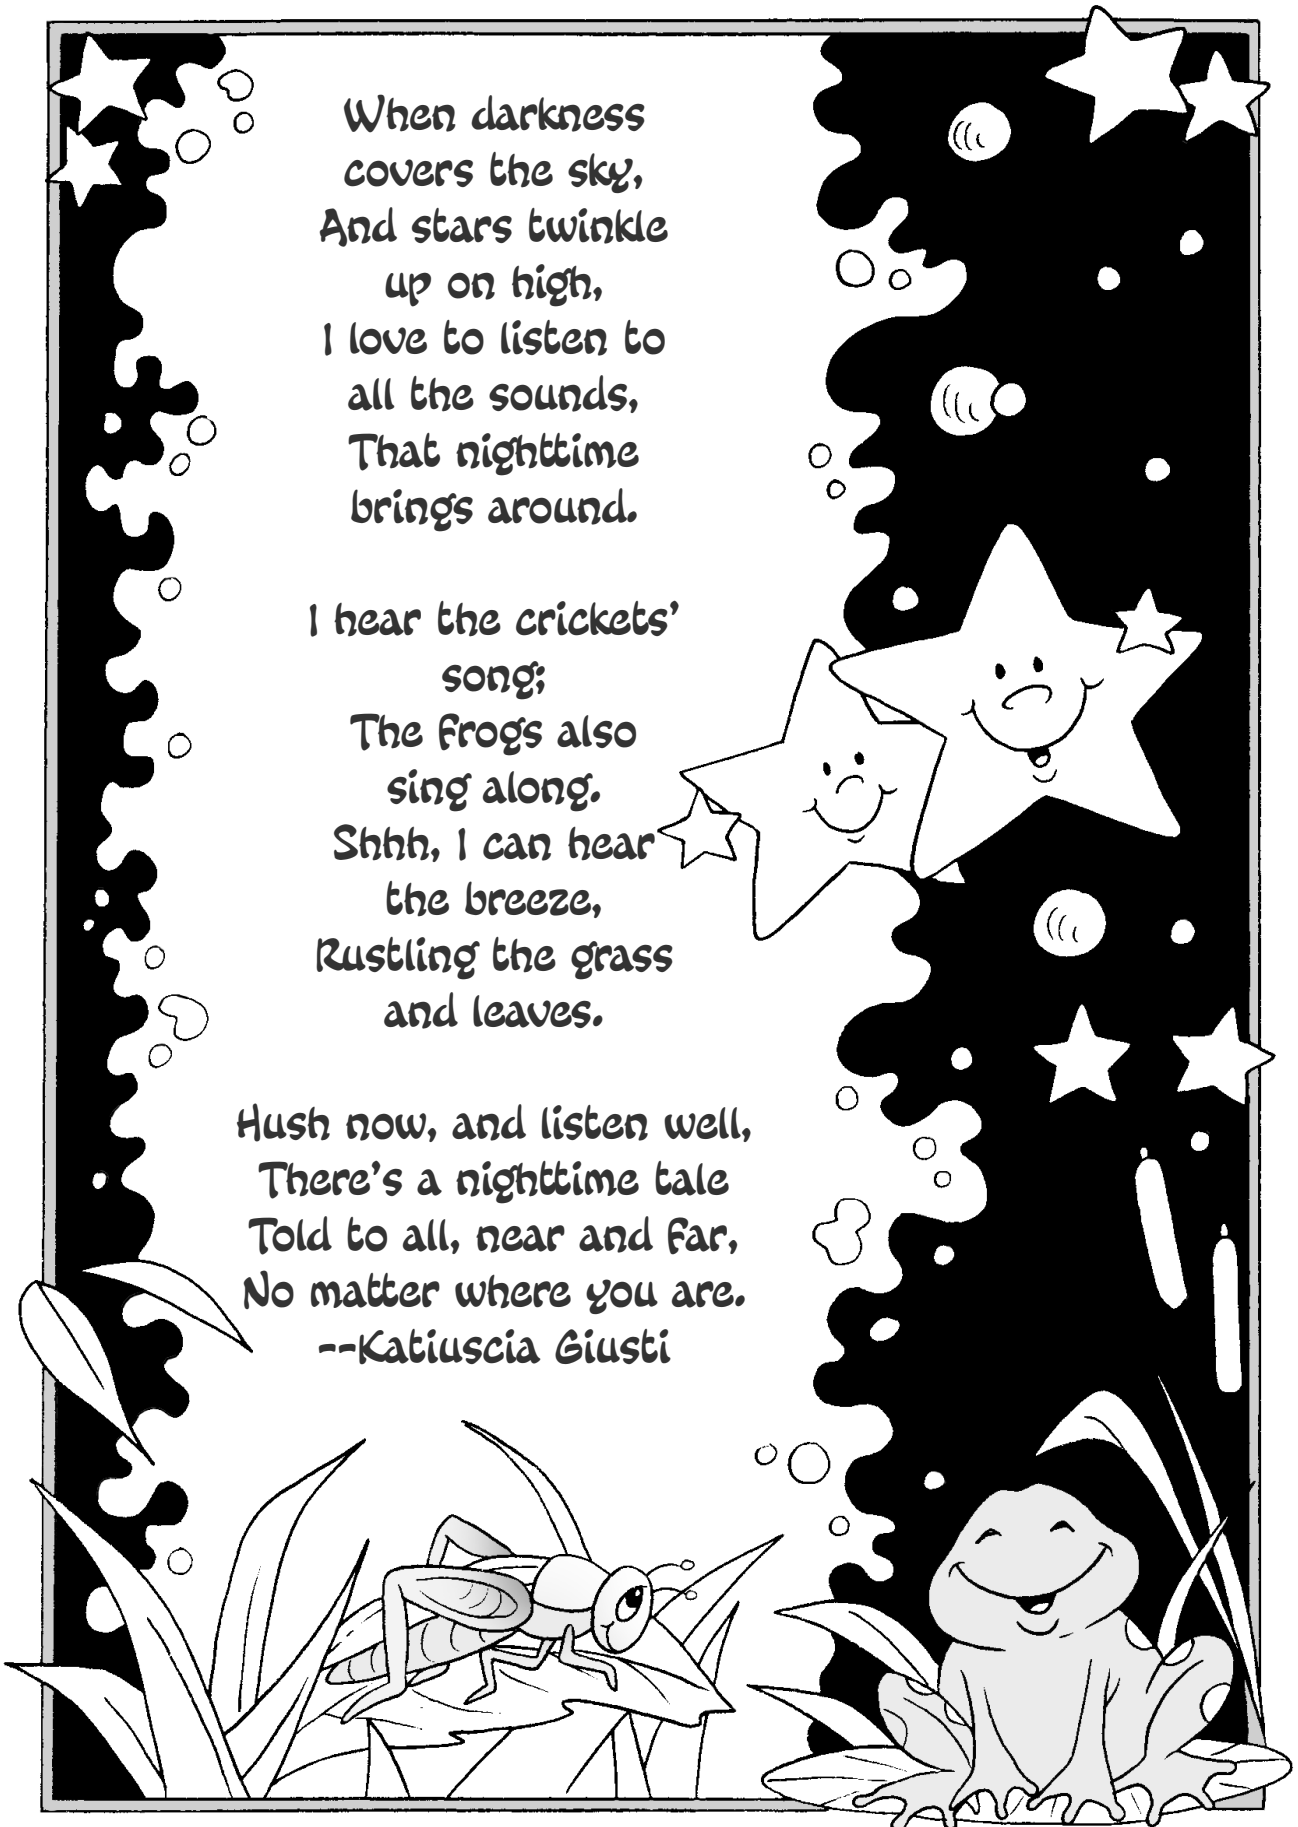

## A Nighttime Lullaby

When darkness  
covers the sky,  
And stars twinkle  
up on high,  
I love to listen to  
all the sounds,  
That nighttime  
brings around.

I hear the crickets'  
song;  
The frogs also  
sing along.  
Shhh, I can hear  
the breeze,  
Rustling the grass  
and leaves.

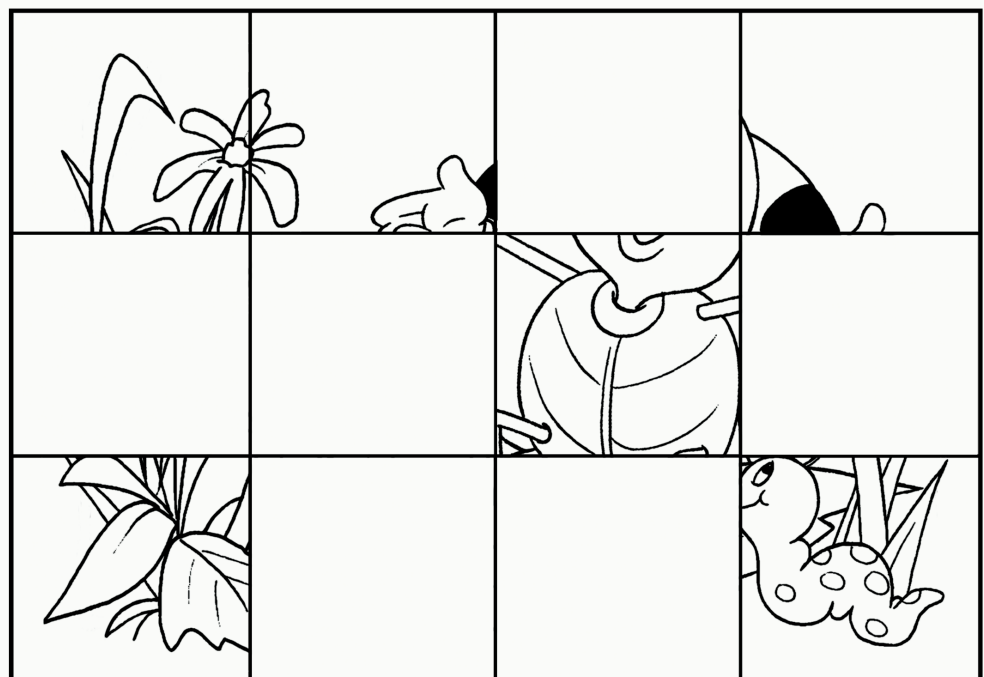

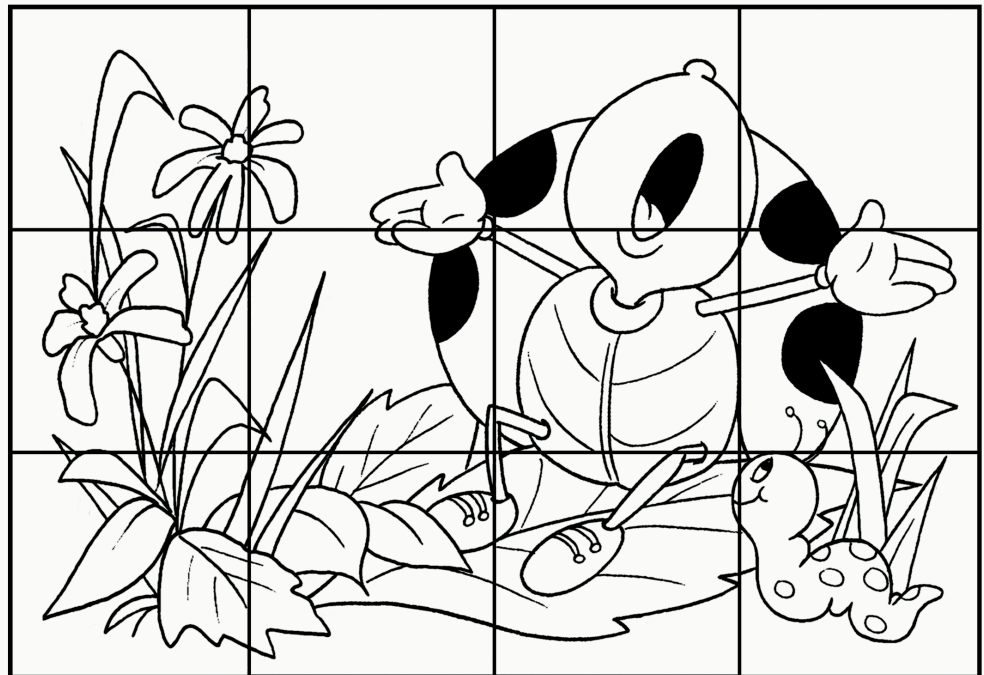

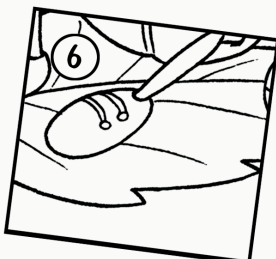

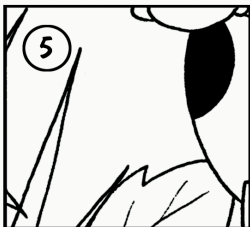

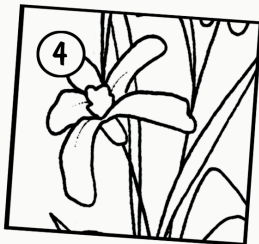

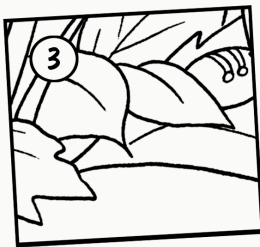

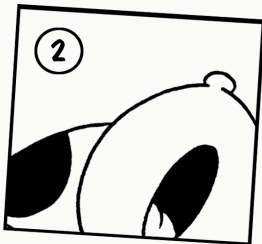

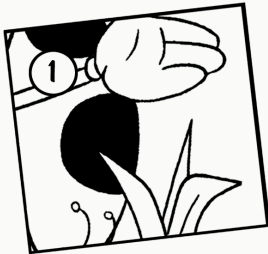

Hush now, and listen well,  
There's a nighttime tale  
Told to all, near and far,  
No matter where you are.
