

GRANDPA JAKE'S STORYBOOK

Insects Galore Activity Book: Firefly Flower

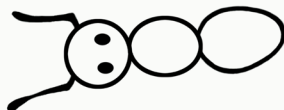

Insect Art

On a blank sheet of paper, copy the three simple steps to learn how to draw these insects.

Color the Picture

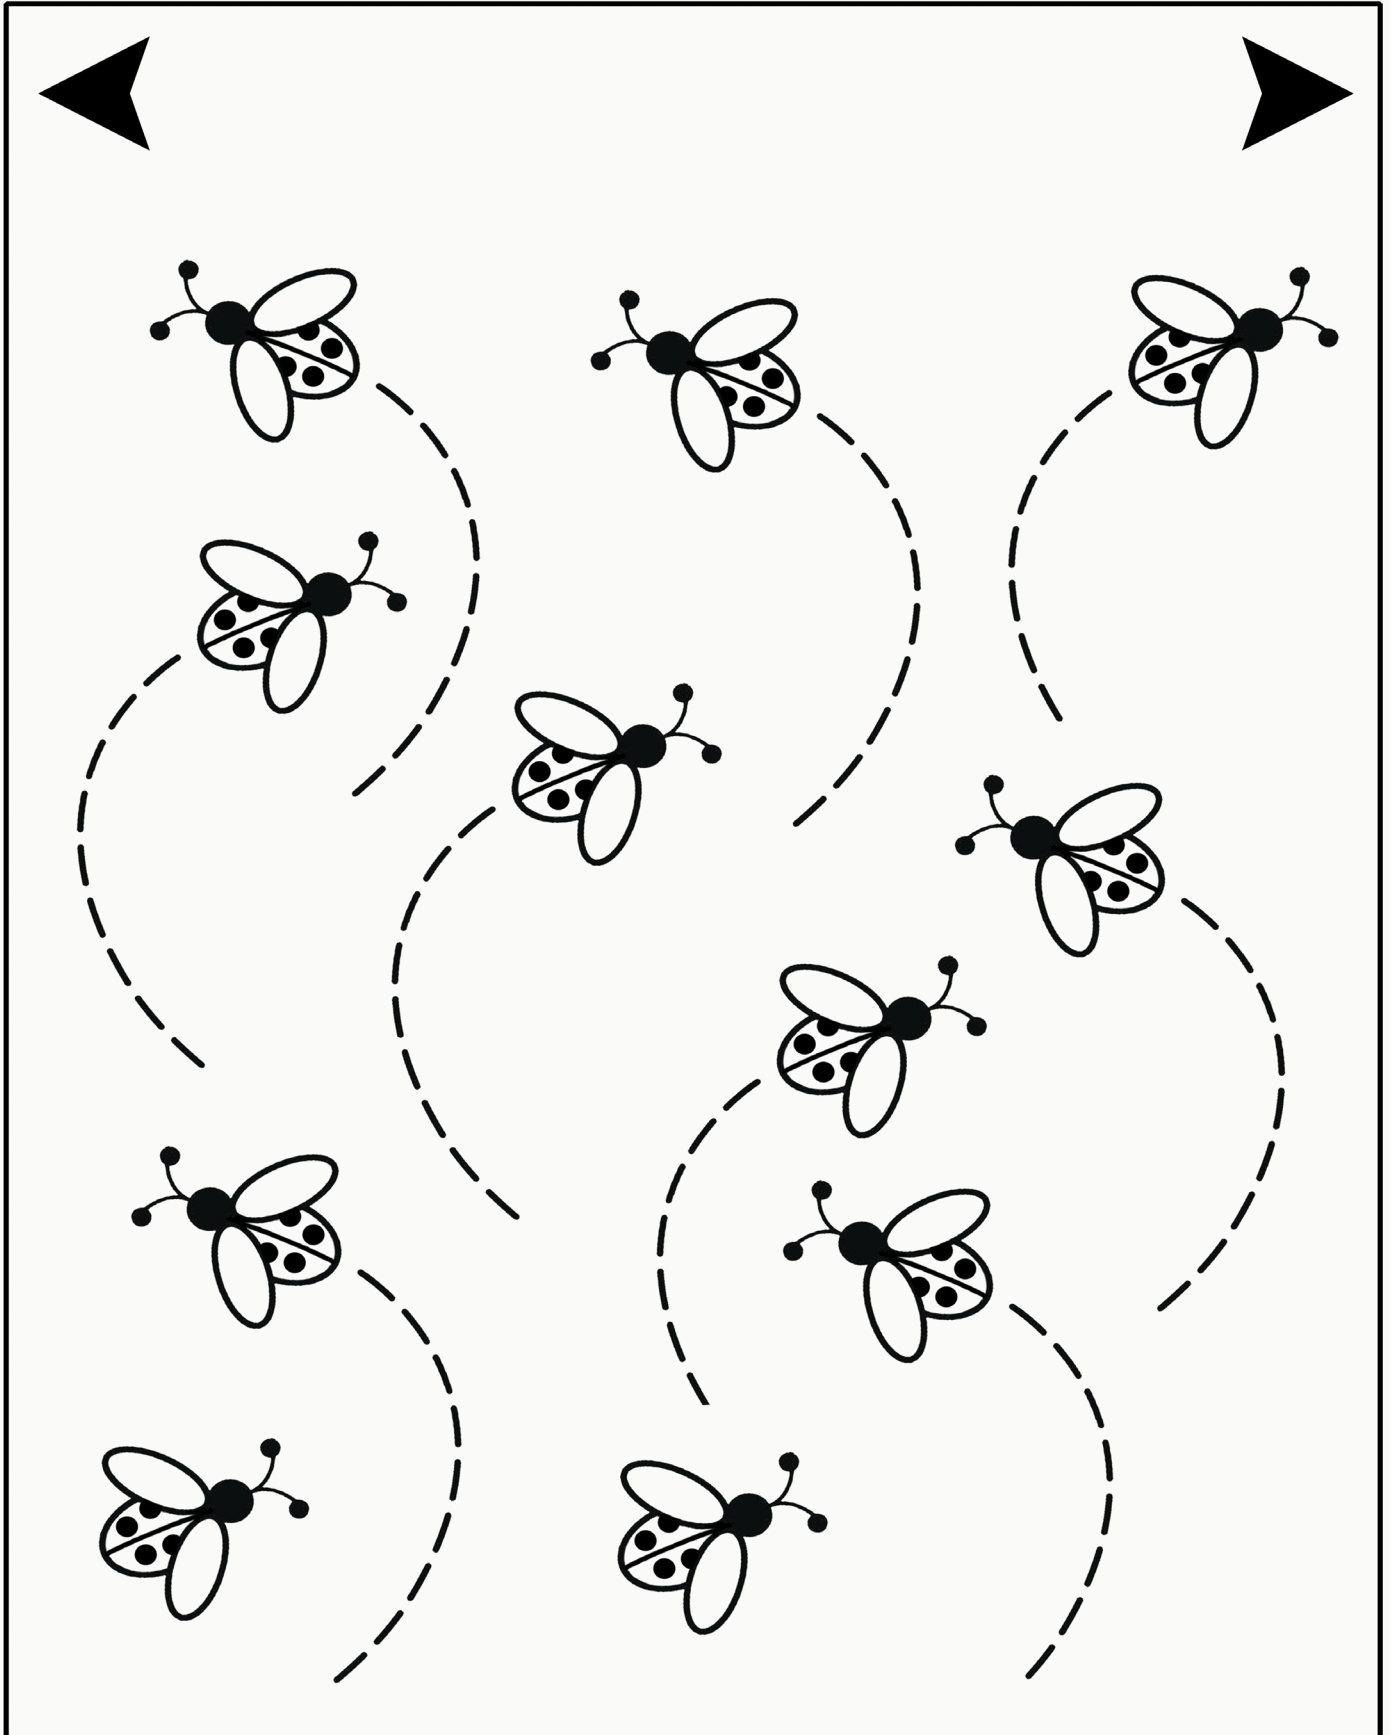

There are always ways to cheer others up and make them happy. Ask God to show you what you can do to make someone smile and feel better.

Left and Right

Color the ladybugs flying left in red,
and the ones flying right in yellow.

Heads and Tails

Draw a line from each insect's head to its body.
