

THE GIFT OF MOMENTS

A message from Jesus

You know, there's something that I love—even in the midst of all the other things that take place in your life—I love the moments you give Me. I love it when you stop what you're doing and give a few moments to thinking about Me, when you close your eyes and picture Me, and whisper a few words of love, praise, and gratitude.

That means a lot to Me, because I know that even with all the other things going on, I'm still on your mind and you choose to shut all that out for those moments to let Me know that I am loved by you.

Thank you for this special gift of those moments with Me.
