

GROWING STRONGER IN FAITH

¹See Romans 10:17.

Spending time with Me through prayer and studying My Word is how to grow your faith.¹ Having faith in Me and knowing My Word makes it easier for you to trust Me to care for you and to experience the joy of My love for you.

Studying about Me and My Word with others is a good way to grow in faith together. You can help each other know more about Me.

Prayer is a way to talk to Me. It is a way you can express your gratitude, your concerns, your needs, and even your hopes and dreams. Prayer draws us closer to each other. You can talk to Me through prayer at any time of day.

It makes Me happy to see you growing in faith because it helps you to feel confident in My love and care for you.
