

A PRAYER OF GRATITUDE

MEDICAL PROFESSIONALS

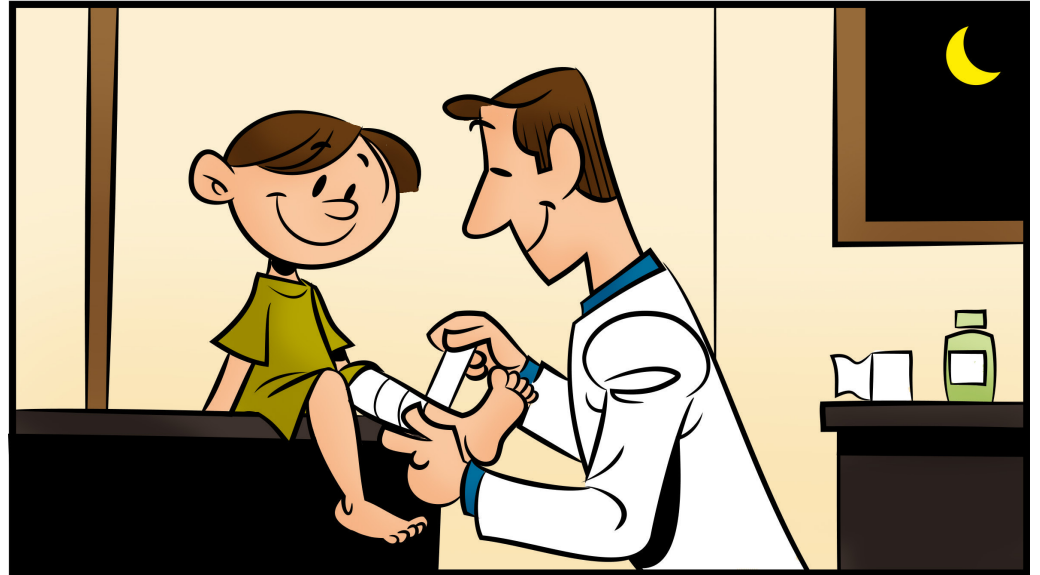

“Look to the interests of others” (Philippians 2:4, *paraphrased*).

“Every time you find work to do, do it the best you can”
(ECCLESIASTES 9:10 ERV).

REFLECT ON THE DOCTORS YOU KNOW, SUCH AS THE FAMILY DOCTOR, dentist,
and ophthalmologist (eye doctor).

MANIFEST YOUR GRATITUDE:

- Keep in mind that the doctor and staff work hard to help their patients.
- Respectfully greet the doctor and staff when you visit them.
- Thank the doctor and staff at the end of your visit.
- Be patient while waiting your turn to see the doctor.

PRAYER FOR GRATITUDE:

Jesus, You are called the Great Physician, and You give me good care through the skills of the medical professionals. Help me to be kind and thoughtful when at the doctor's office and to treat the doctor and staff with respect, showing gratitude to those who serve me with their beneficial medical services.

PRAYER OF GRATITUDE:

I'm very thankful, Jesus, for how You use the skills of the doctors and nurses to give me good care. Thank You, also, for the good counsel they give me for how to care for my body to stay healthy. Encourage [insert name] with appreciation shown by their patients.
