

# *Where Jesus Leads*

Far in the distance  
I cannot see;  
One step is now  
enough for me.

Jesus leads me  
through the dark.  
I hold His hand;  
His steps I mark.

I do not know  
just where He'll lead;  
Yet faith grows strong  
as His Word I read.

Trust and obey  
—He knows what's best;  
Till safe in His arms,  
we'll soon find rest.
