

A Pocketful of Praise

-A Coloring
Book

Pick your praise for
the day. Print, color,
and post it.

"All of God's creation and
all that he rules, come and
praise your Lord! With all my
heart I praise the Lord!"
(Psalm 103:22 CEV).

My best friend

Jesus, thank You
for being my best
friend! You are
kind and caring,
patient and
understanding.
You always make
time for me. I
know I can always
count on You!

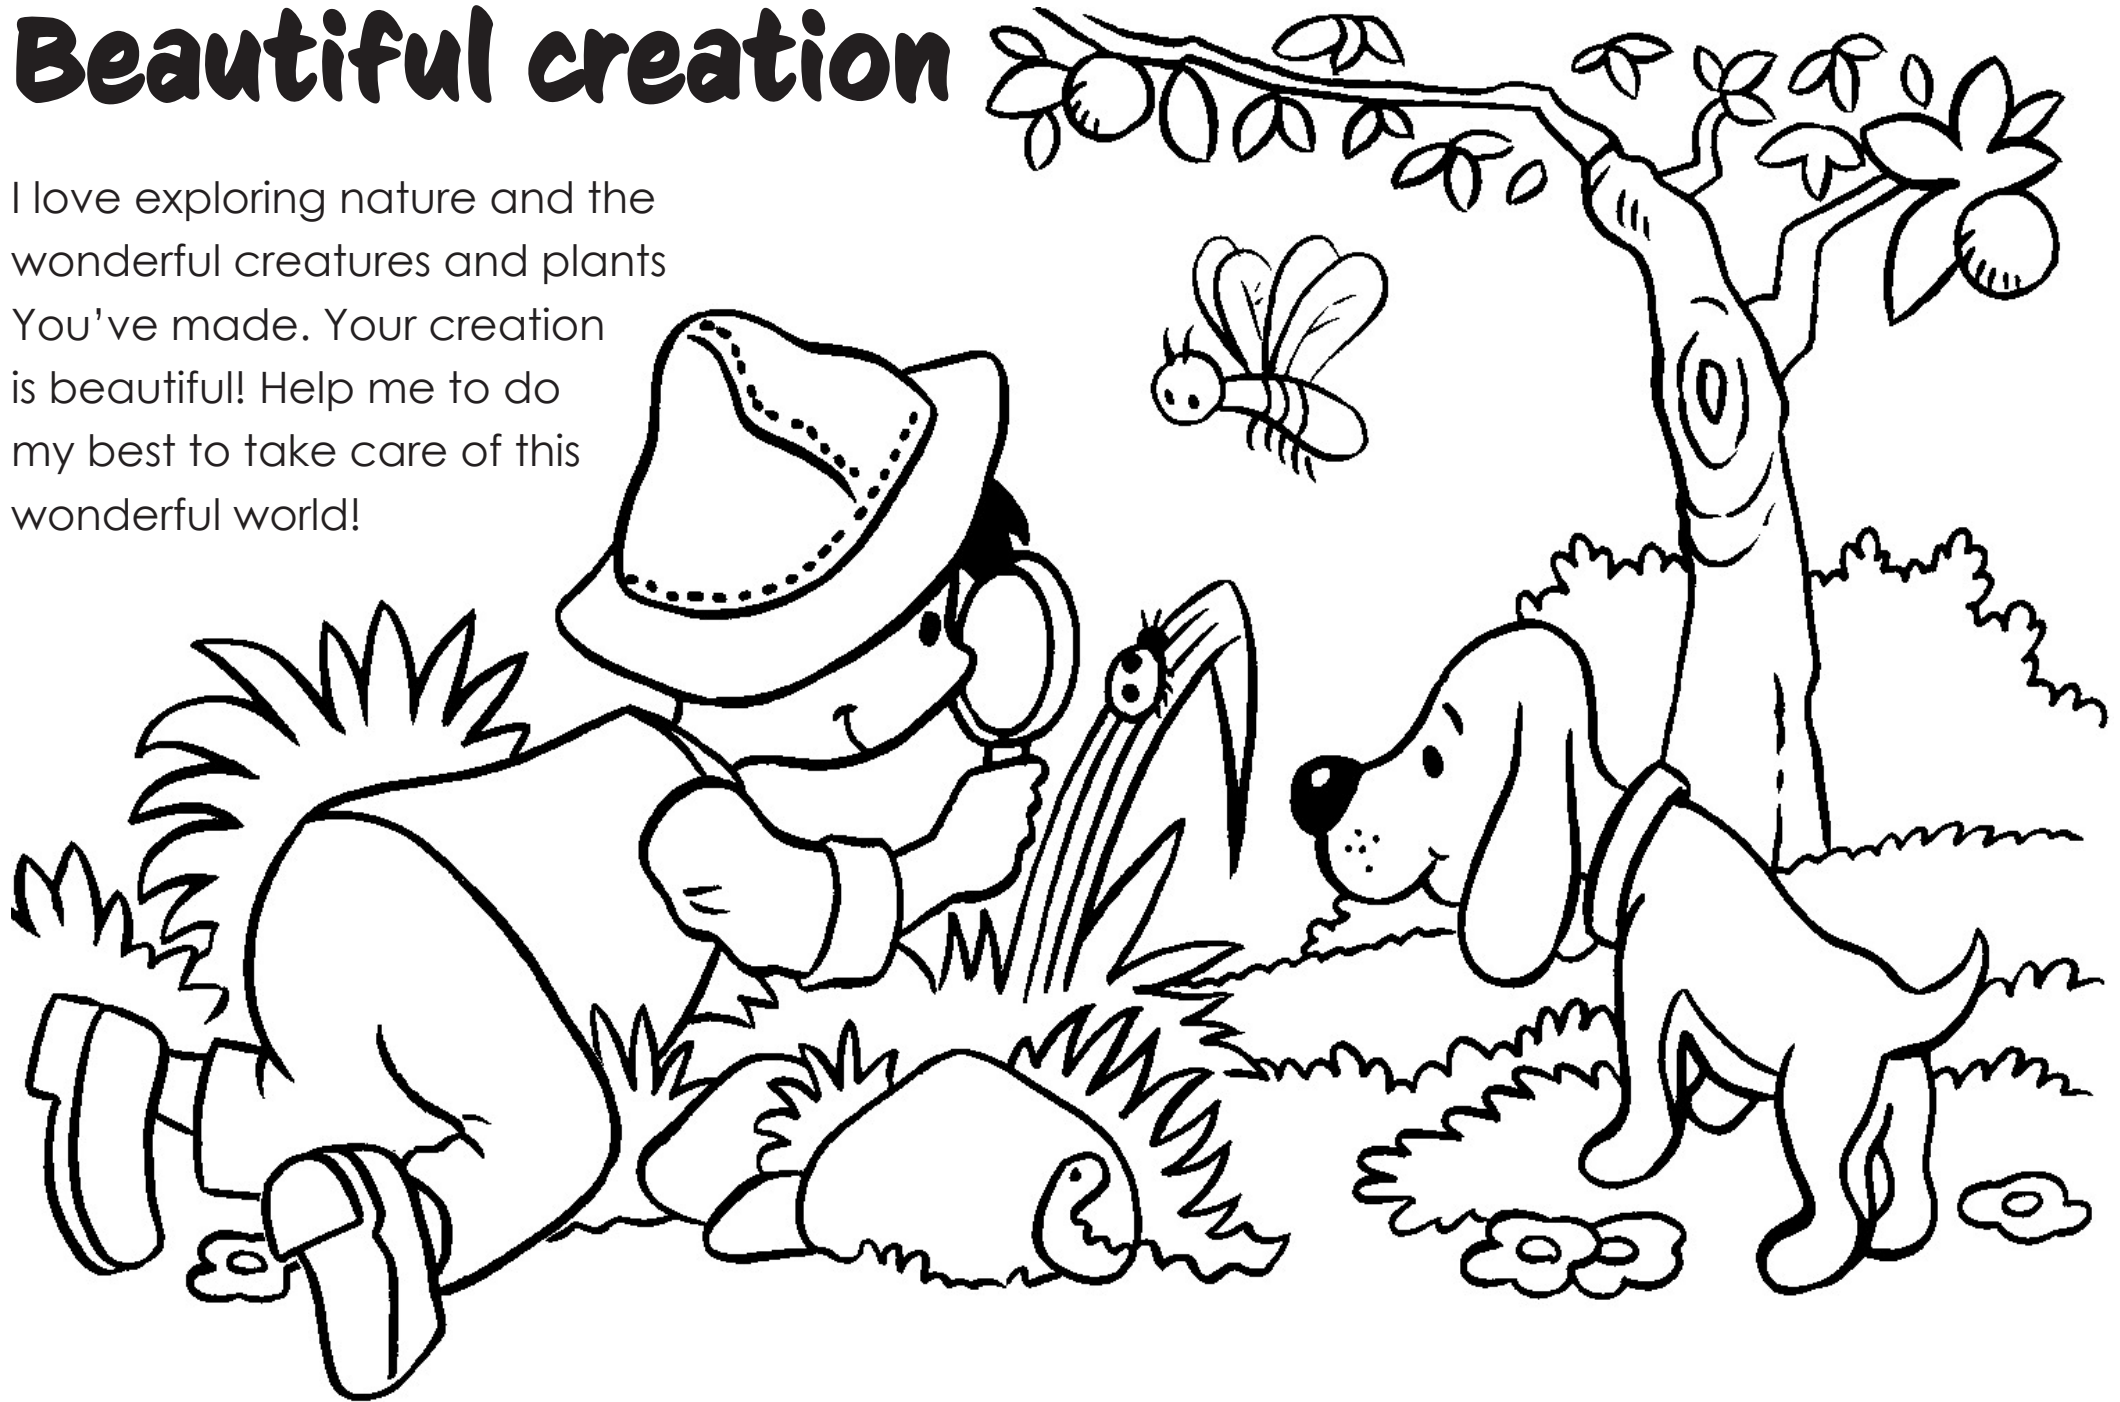

Just as I am

Even when my hair isn't brushed,
my clothes are a mess, I have
scrapes on my knees, and I'm kind
of scuffed up, You love me no
matter what. You make me feel
special just as I am.

Beautiful creation

I love exploring nature and the wonderful creatures and plants You've made. Your creation is beautiful! Help me to do my best to take care of this wonderful world!

Right beside me

I'm glad You're beside me
through each day, Jesus.
It makes me feel safe to
know You're never too
far away. Help me to stay
close to You in the things
I do and say!

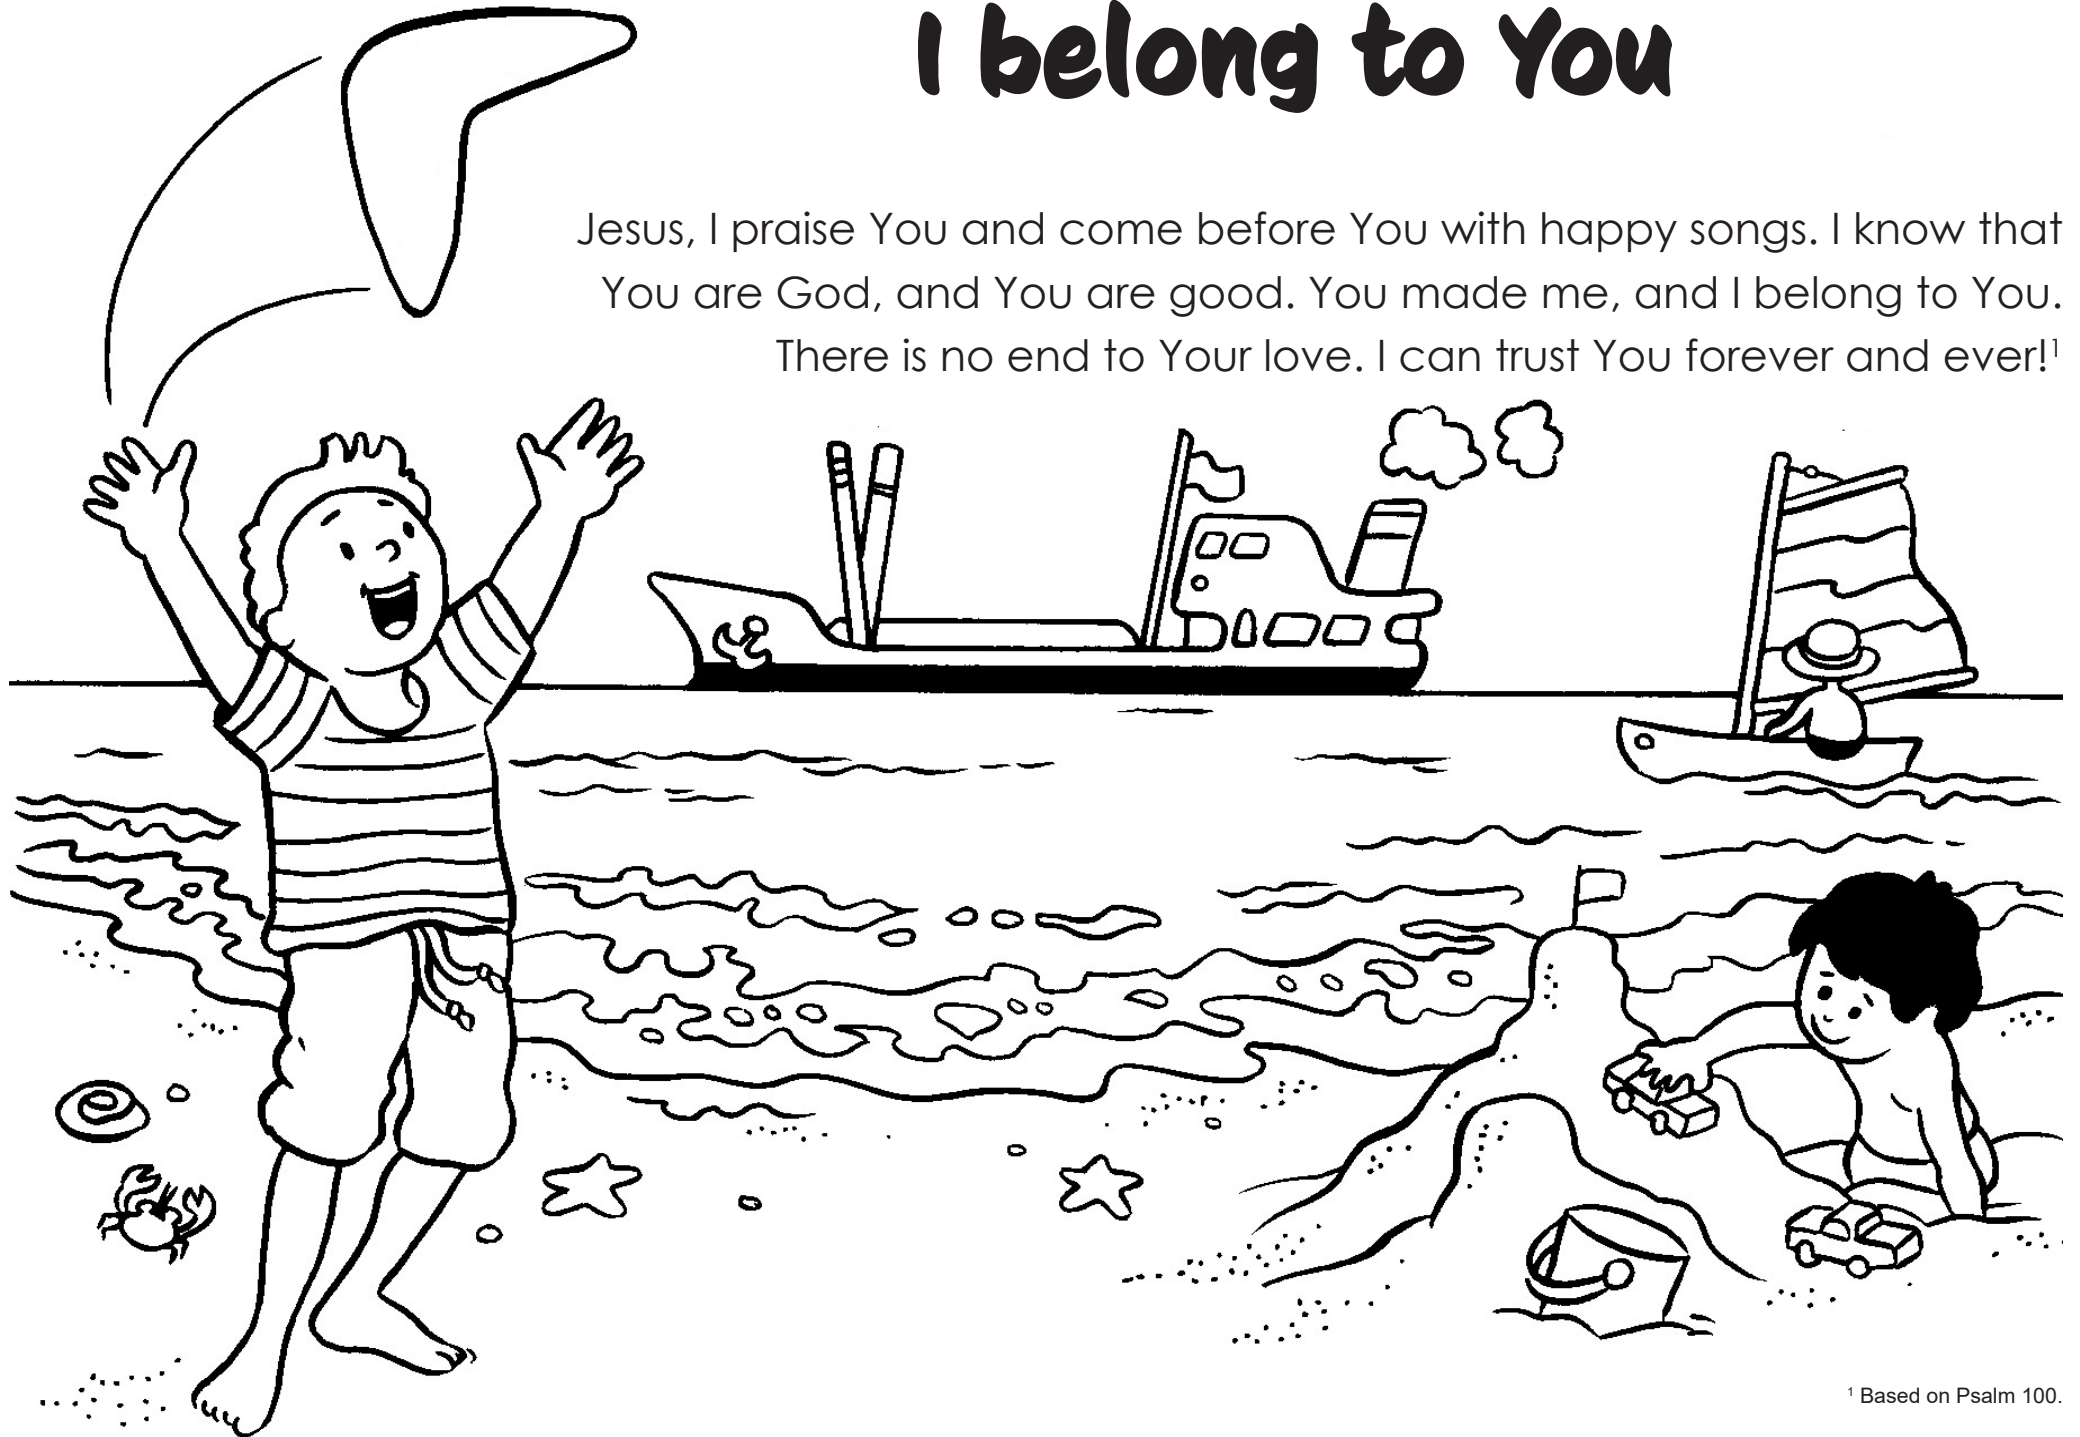

My pets

Thank You for my pets!
They are fun to play with
and bring me lots of joy.
Help me to take good
care of them so they are
happy and healthy.

I belong to You

Jesus, I praise You and come before You with happy songs. I know that You are God, and You are good. You made me, and I belong to You. There is no end to Your love. I can trust You forever and ever!¹

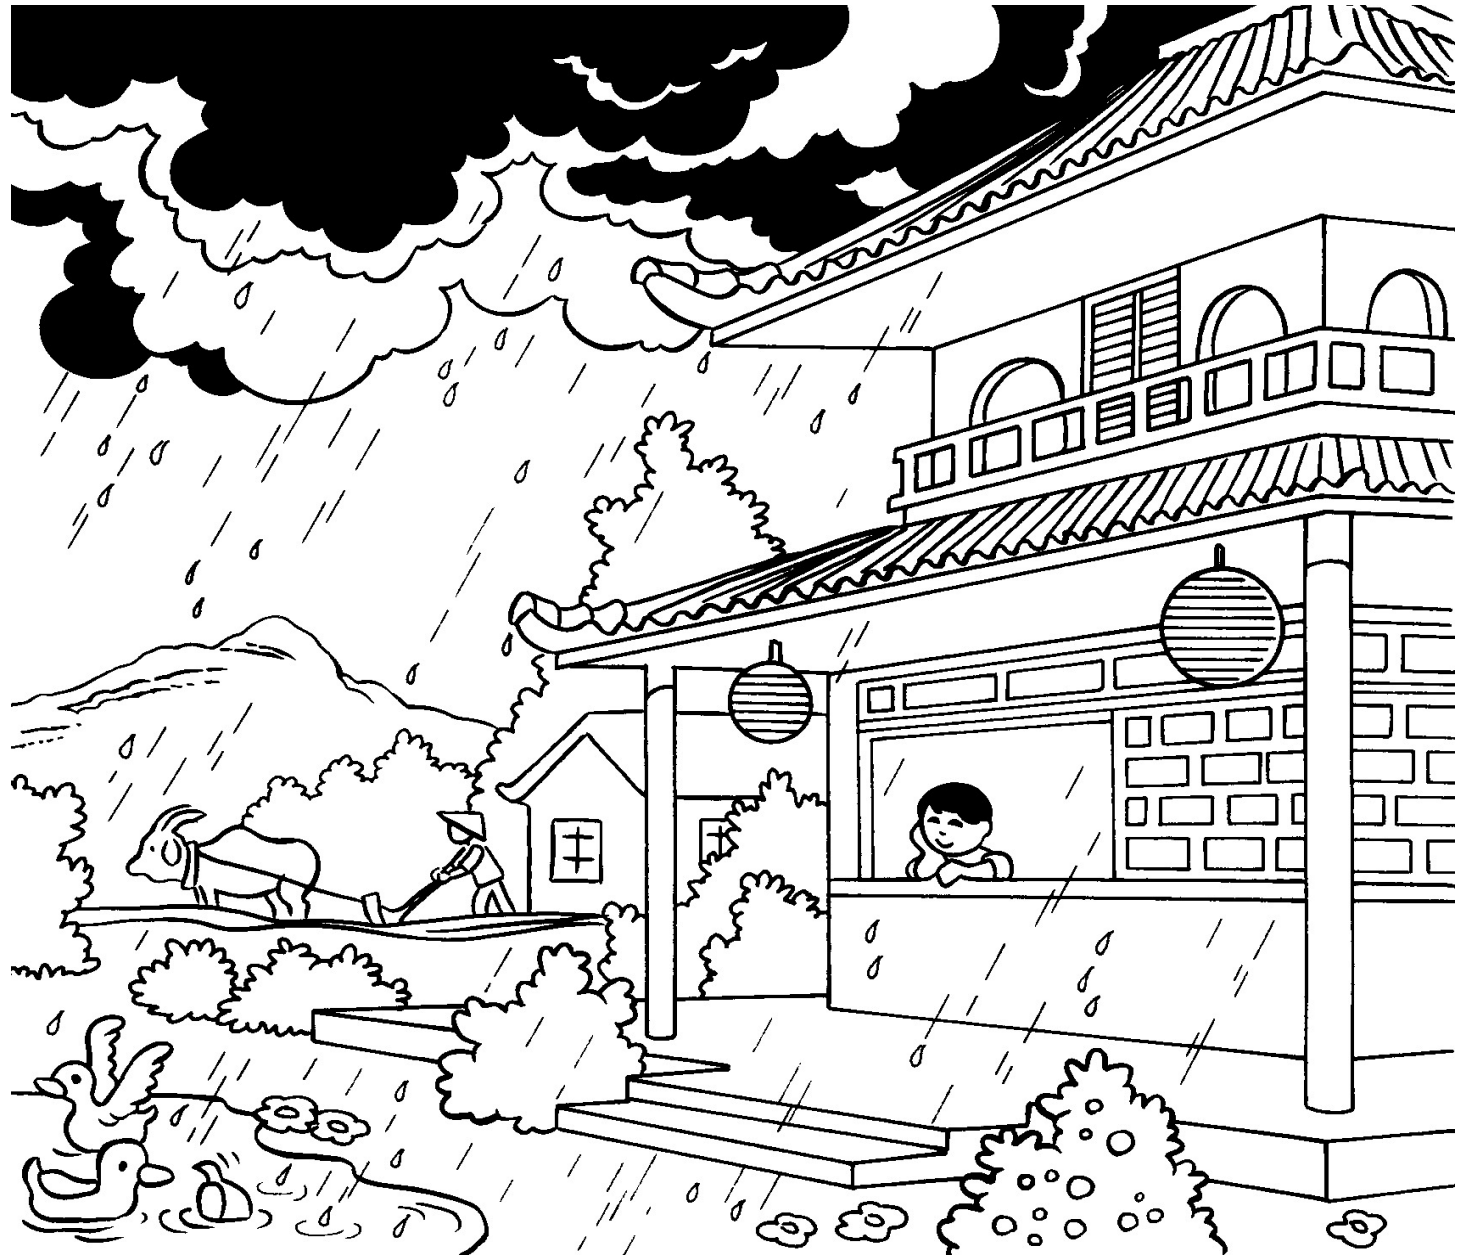

You bring me calm

When I am frustrated and upset and need a little time to calm down, You are there for me. You help me understand what I am feeling. I feel better after taking time with You, Jesus!

Watching the rain

Sometimes I'm disappointed that I must stay inside when it rains, but I'm glad the plants and trees are getting the water that they need. The rain washes away the dirt, brings nourishment to the plants, and makes the ducks happy. You take good care of Your creation, Jesus, just like You take good care of me.

I feel Your love and care

Whenever I take time to
thank You,
I know just what to do.
I hug You close and tell
You that
You're my best friend
—it's true!

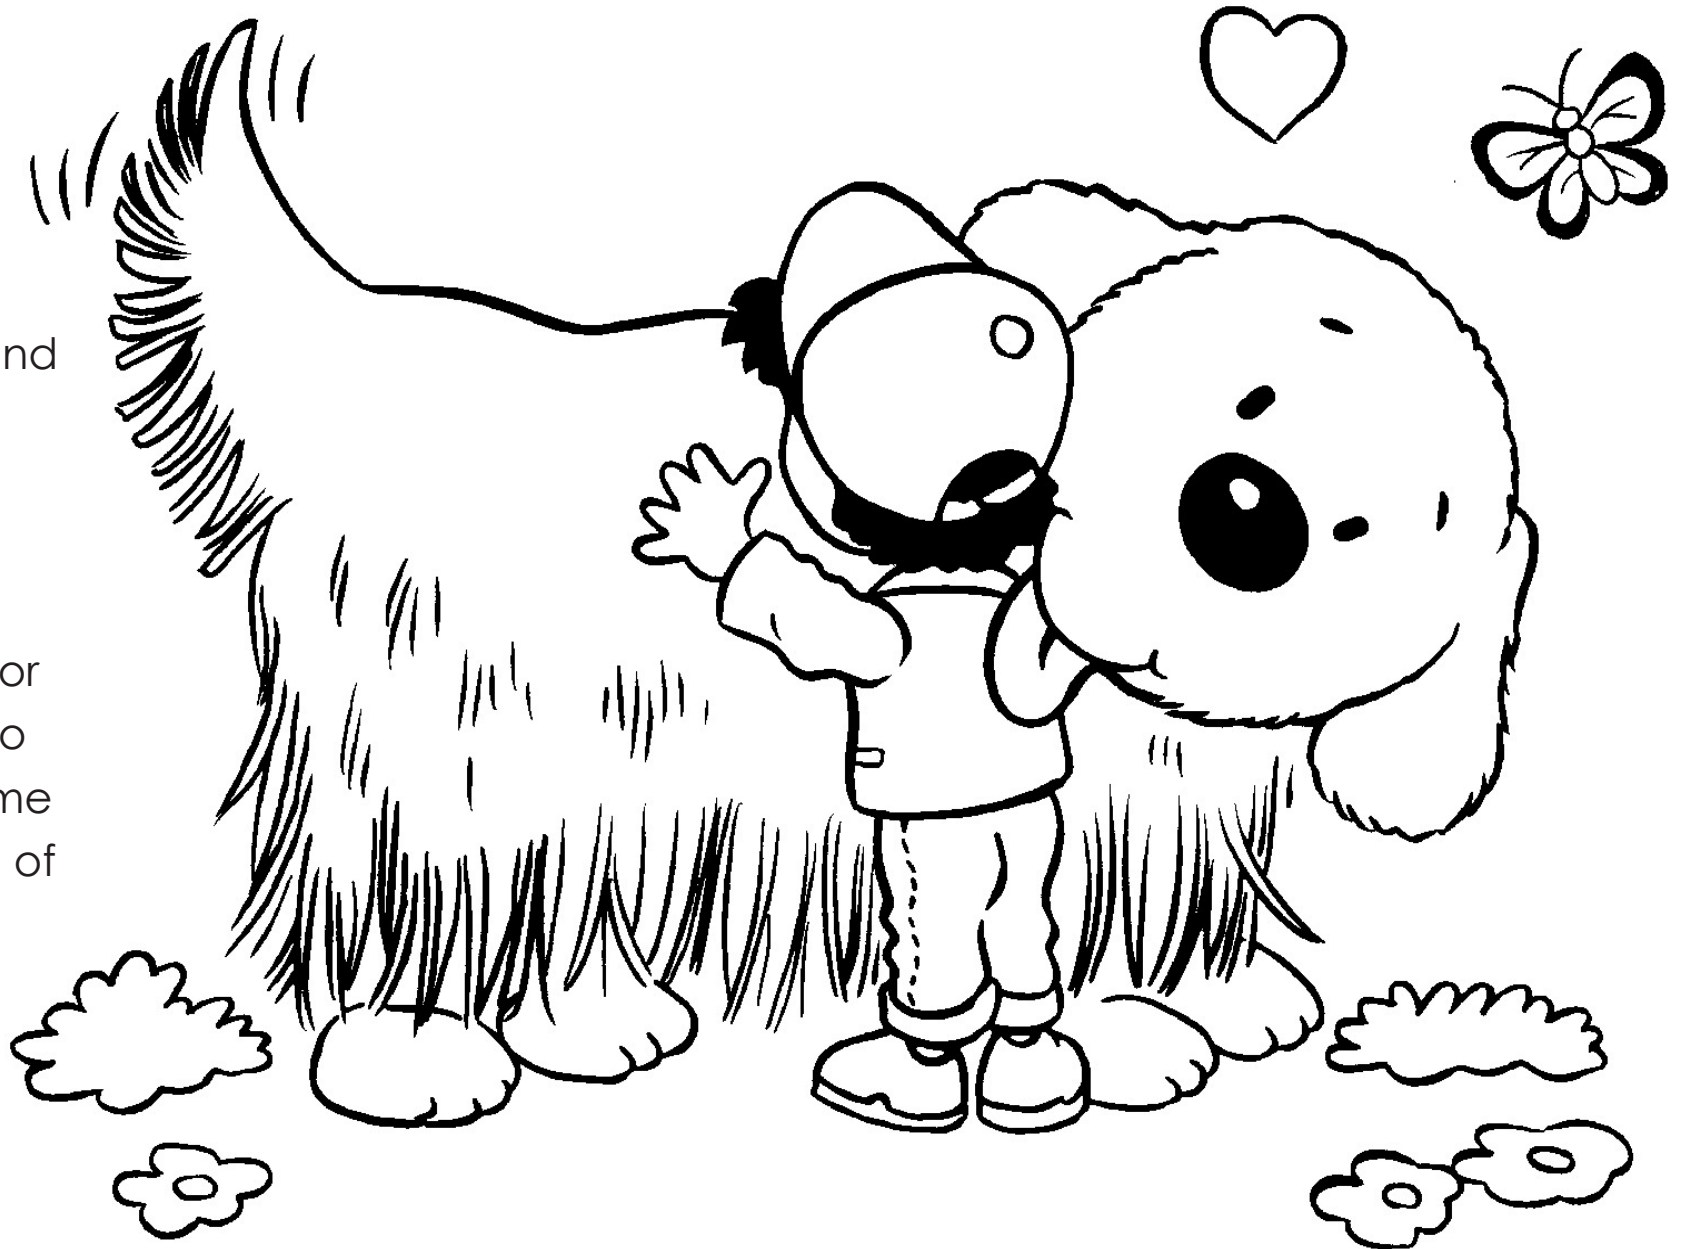

You're always happy to
spend time with me,
No matter what the time.
You help me through the
ups and downs
And whatever hills I climb.

You watch over me and
keep me safe.
I know You're always there.
You make me smile and
bring me joy.
I feel Your love and care.

Thank You for my dog

My dog is gentle and caring. He nuzzles me and cheers me when I'm sad. He makes me feel loved. Thank You for giving me love in so many ways. Help me to take good care of my dog and show him lots of love too!

Just You and me

I enjoy these times when it's just You and me, Jesus. I like talking to You and listening to all You have to tell me. You're never too busy for me. These times when it's just You and me make me feel extra loved.

In Your hands

Jesus, You have the whole world in Your hands, from the smallest bug to the biggest mountains. You hold each person big or small, young or old, so that we can know Your wonderful love. I, too, am in Your loving hands, and this is where I am happiest!

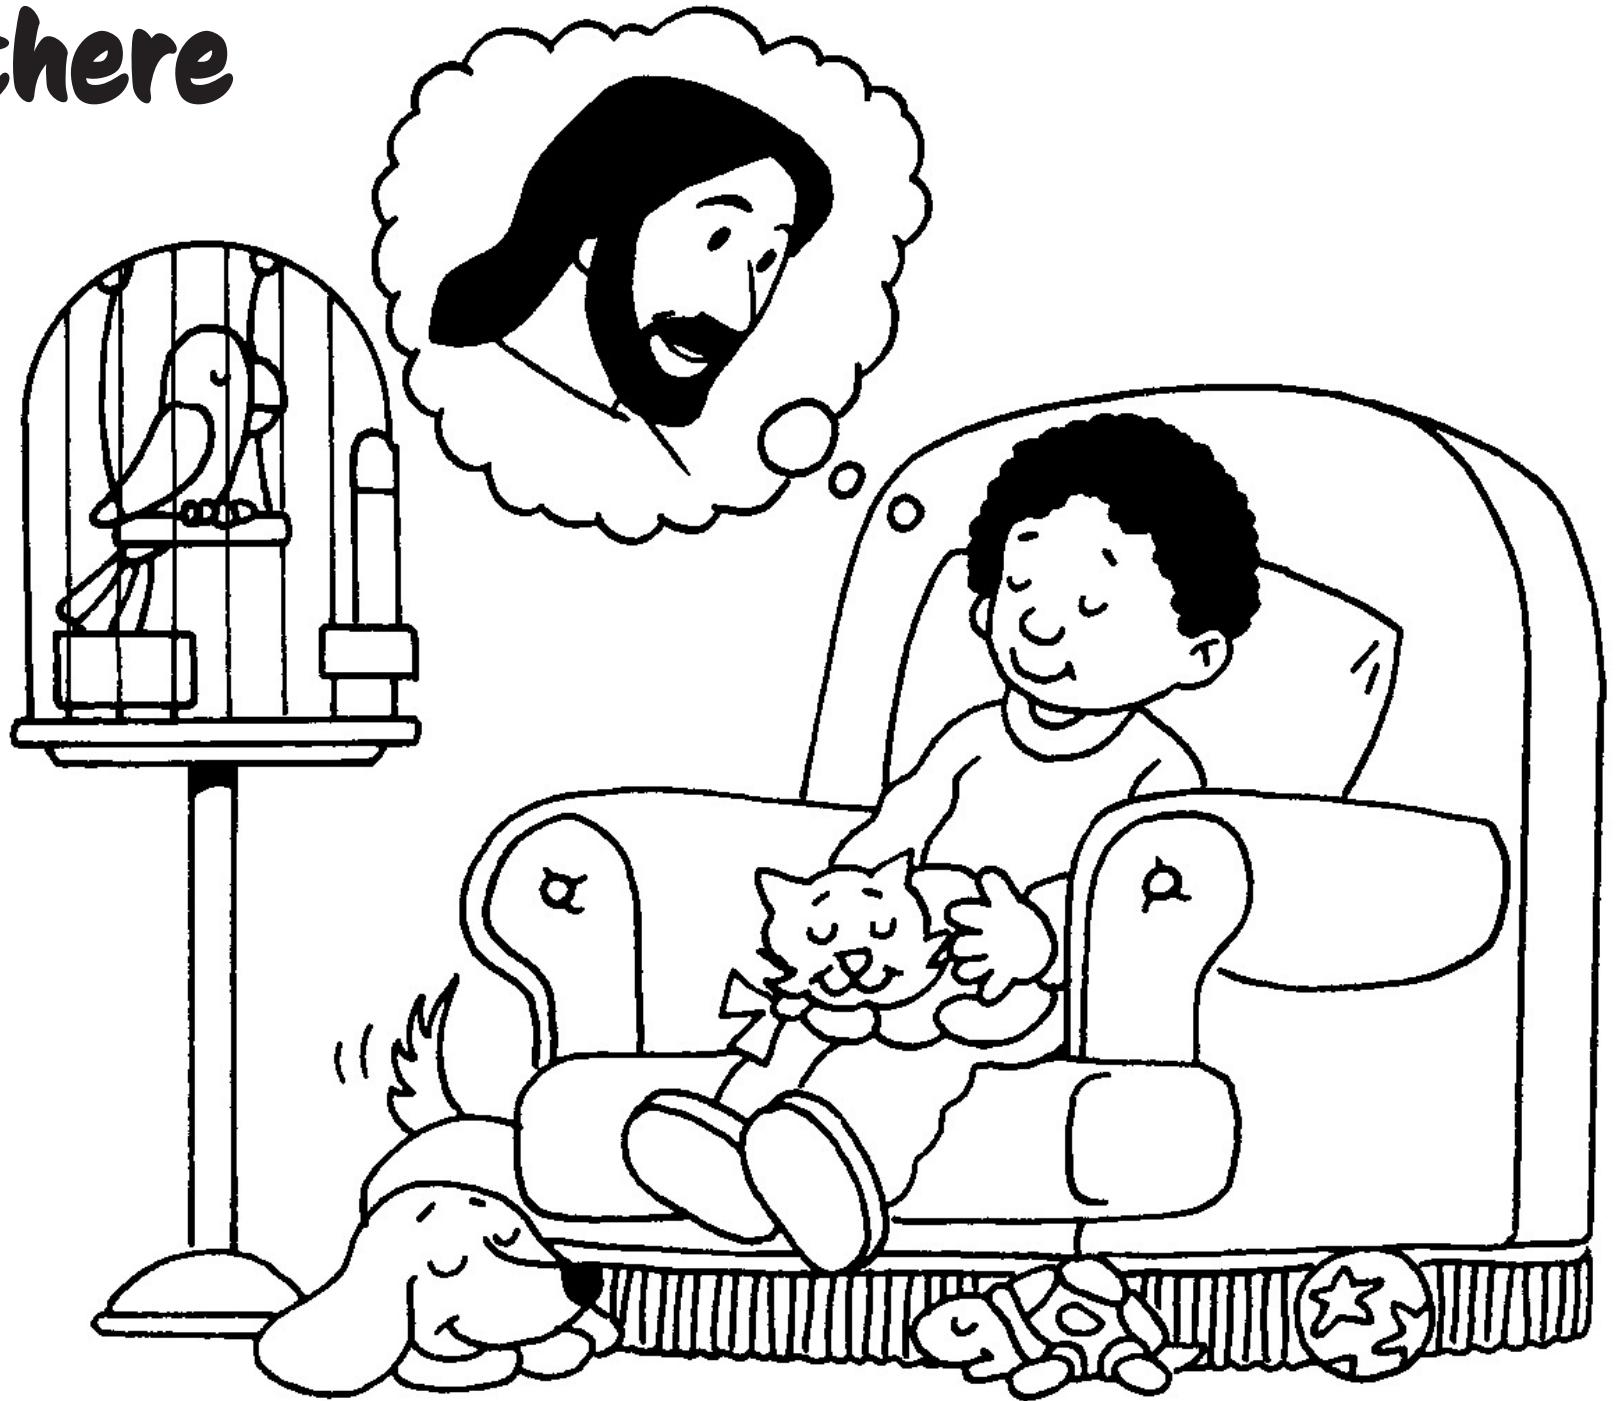

You make me happy

Spending time with You, Jesus, makes me happy. You always listen to me. You share joy and laughter with me, and You know just how to make me feel better when I am down. You make me happy!

You are there

I like to sit quietly and think about You, Jesus. There are many things I can thank You for; I could never tell You it all. But sometimes it's enough to just close my eyes and think of You and know that You are there.

My little note of praise

Can you think of some things you would like to thank Jesus for? Write them down or draw a picture of these things. Then place this paper by your bed or desk so you can be reminded to give thanks.
