

NEVER TOO LATE

You're never too low
That I cannot reach down.
You're never too lost
That you cannot be found.
You're never too bad
To be loved by Me.
You're never too wrong
You can't face reality.

And there's never a time
That I won't answer you.
There's never a moment
That I won't see you through.
Just whisper My name
For I am here.
I want you to know,
I'm always near.

It's never too late to come to Me.
It's never too far to run to Me
It's never too dark
That I can't see.
It's never too hard
If you believe.

The hurt is not too deep
That I cannot heal.
The pain is not too strong
That I cannot feel.
The confusion of your mind
I understand.
The future you can't see
I hold within My hand.

And there's never a day
That has gone by
That I don't know
Of every tear you cry.
Just whisper My name
For I am here.
I want you to know,
I'm always near.
