

Together

When you wake up in the morning,
If you're happy or if you're sad,
Just shoot up a prayer, I'm always there,
And I will make you glad.

And when school time isn't exciting,
Or if one of the classes seems rather trying,
Just give Me a look, I'll help with your books,
Together we'll learn and go exploring.

So let's walk together,
Talk together,
As friends playing side by side.
Let's run together,
Have fun together,
As we look up at the beautiful sky.

You can look to Me for comfort.
You can look to Me for cheer.
You can look to Me whenever.
You can look—I'm always here
Because we're together.
We're together.

Write a 100 word
story about your
favorite pet.

Did you have a lot of fun today?
Did you like it when we went out to play?
You know I came along, with you I had fun
Together out in the sun.

I am with you when you trip and fall down.
I am with you when you smile or frown.
If you'd like to laugh, you just have to ask,
For you I can be a clown.

So let's walk together,
Talk together,
As friends playing side by side.
Let's run together,
Have fun together,
As we look up at the beautiful sky.

You can look to Me for comfort.
You can look to Me for cheer.
You can look to Me whenever.
You can look—I'm always here
'Cuz we're together.
Yes, we're together.
